

Theresa Paraschac

Executive Director, Government Relations and Business Innovation

Theresa Paraschac is an Executive Director of Government Relations and Business Innovation at DTCC. In this capacity, Theresa focuses on policy-related innovation activity and in coordination with the Business Innovation and the Technology Research & Innovation groups, drives Government Relations project workstreams and research.

She also has responsibility for advancing awareness of DTCC's government relations and innovation efforts with external stakeholders including industry organizations.

Prior to joining DTCC, Theresa served as a director in the public affairs department of Burson-Marsteller, a global public relations firm, in their New York and Washington, DC offices. Earlier in her career, Theresa served in various positions throughout the U.S. Administration, including the White House Press Office, the U.S. Department of Justice and the U.S. State Department.

About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2020, DTCC's subsidiaries processed securities transactions valued at more than U.S. \$2.3 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. \$73.5 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 15 billion messages annually.
