

### Theresa Paraschac

*Executive Director, Government Relations*

Theresa Paraschac is an Executive Director of Government Relations at DTCC. In this capacity, Theresa focuses on US government relations activity impacting DTCC, its clients and the financial markets. She also supports policy-related innovation activity and in coordination with various internal departments, drives Government Relations project workstreams and research.

Prior to joining DTCC, Theresa served as a director in the public affairs department of Burson-Marsteller, a global public relations firm, in their New York and Washington, DC offices. Earlier in her career, Theresa served in various positions throughout the U.S. Administration, including the White House Press Office, the U.S. Department of Justice and the U.S. State Department.

#### **About DTCC**

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2021, DTCC's subsidiaries processed securities transactions valued at nearly U.S. \$2.4 quadrillion. Its depository provides custody and asset servicing for securities issues from 177 countries and territories valued at U.S. \$87.1 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 16 billion messages annually.
