ClaimConnect™
A BETTER WAY TO PROCESS CLAIMS

DTCC

THE CHALLENGE: Handling untracked claims

MANUAL PROCESSING
Large operations teams are assigned to manually fax, email, and call to process these claims.

DELAYS & ERRORS
The inefficient process can result in delays and errors, costing firms valuable time and money.

THE SOLUTION: CLAIMCONNECT

Industry Collaboration
Developed with input from an industry working group to ensure critical pain points were resolved.

Match with Ease
Through the affirm and auto-match processes, matching and closing a claim has never been easier.

Flexible & Secure
Access ClaimConnect via API or MyDTCC Portal for an extremely flexible, customizable, and secure solution.

Centralized Management
Bilaterally manage and settle claims, from submission to closure, seamlessly through a centralized, single-point of entry.

CLAIMCONNECT BENEFITS:
By removing the burden of manually handling untracked claims, ClaimConnect enables firms to reduce risk and errors, expedite the claim closure process and provide operational efficiencies through automated processes.
