

Emergency Rider to Letter of Securities Possession

(Date)

(Lead Underwriter¹ Firm Name) (“Lead Underwriter”)

(DTC Participant Firm Name) (“DTC Crediting Participant”)

(DTC Participant Number to be credited on Closing Date) (“Account”)

(Issue Description, Including Maturities and CUSIP(s)) (collectively, the “Issue”)
Attach an Appendix for multiple CUSIPs if necessary

This Emergency Rider (this “Rider”) to the accompanying Letter of Securities Possession by Lead Underwriter and DTC Crediting Participant (if DTC Crediting Participant is not also Lead Underwriter) addressed to The Depository Trust Company (“DTC”) Re: the Issue (the “LOP”) amends and supplements the LOP on the terms and conditions set forth herein. Except as expressly amended and supplemented hereby, the LOP continues in full force and effect. Capitalized terms used but not defined in this Rider shall have the meaning ascribed to such terms in the LOP.

Due to the existence of emergency circumstances, and notwithstanding the requirements of the LOP, (i) the Certificates may not be able to be received by DTC’s Underwriting Department, (ii) a courier or overnight delivery service may not be able to deliver the Certificates to DTC’s Underwriting Department, and/or (iii) a package containing the Certificates may not be able to be delivered to a courier or overnight delivery service for delivery to DTC’s Underwriting Department.

¹ The term “underwriter” includes, without limitation, a placement agent, manager, or initial purchaser, as applicable.

As a result, and to induce the Lead Underwriter, the DTC Crediting Participant and DTC to amend and supplement the LOP on the terms and conditions set forth herein, the Lead Underwriter, the DTC Crediting Participant and DTC hereby agree that:

The DTC Crediting Participant will use commercially reasonable efforts to deliver the Certificates to DTC's Underwriting Department by 4:00 p.m. ET on the Closing Date.

If the Certificates cannot be received by DTC's Underwriting Department by 4:00 p.m. ET on the Closing Date because of (i) an inability of DTC to accept physical deposits of securities (a "DTC Unavailability"), (ii) an inability of a courier or overnight delivery service to deliver the Certificates to DTC (a "Delivery Unavailability"), and/or (iii) an inability of the Lead Underwriter, the DTC Crediting Participant and/or the issuer to deliver the Certificates to a courier or overnight delivery service (a "Certificate Unavailability"), then:

1. For so long as a DTC Unavailability exists, if DTC's debit of the Account of the DTC Crediting Participant to the full extent of the Certificates not so received creates a short position in the securities represented by the Certificates, DTC will not charge the settlement account of the DTC Crediting Participant 130% of the current market value of the securities represented by such Certificates (the "Short Charge"). DTC will advise the DTC Crediting Participant by important notice once DTC is able to accept physical deposits of securities, whereupon DTC will impose the Short Charge beginning the following business day (except as provided in paragraph 2 below).
2. If a Delivery Unavailability or a Certificate Unavailability exists and a DTC Unavailability does not exist, the DTC Crediting Participant will use commercially reasonable efforts to cause the original or replacement Certificates to be delivered to DTC's Underwriting Department through the use of a courier, overnight delivery service or other commercially reasonable means. DTC will not charge the Short Charge for a period of two weeks from the date of this Rider ("Delivery Period"); *provided that* DTC may shorten or extend the Delivery Period, in its sole and absolute discretion, based on the circumstances then existing, which change in period DTC may announce by important notice.
3. The DTC Crediting Participant shall notify DTC at least three business days prior to the expiration of the Delivery Period, if the DTC Crediting Participant reasonably believes that it will be unable to deliver the Certificates to DTC by the expiration of the Delivery Period. Such a notification by the DTC Crediting Participant to DTC shall in no way affect, or be interpreted to impose any restriction on, DTC's sole and absolute discretion to shorten or extend the Delivery Period, impose a Short Charge on the Crediting Participant upon expiration of the Delivery Period, or take any other action in accordance with DTC's Rules and Procedures.

This Rider and the LOP, as amended and supplemented hereby, shall be governed by and construed in accordance with the laws of the State of New York. The Lead Underwriter and the DTC Crediting Participant hereby irrevocably submit to the exclusive

jurisdiction of the United States District Court for the Southern District of New York or any court of the State of New York located in the Borough of Manhattan in the City of New York in any action or proceeding arising out of or relating to this Rider and the LOP and agree that any such action or proceeding shall be brought only in such courts. The Lead Underwriter and the DTC Crediting Participant hereby irrevocably waive, to the fullest extent permitted by law, any objection that they may now or hereafter have to the laying of the venue of any such action or proceeding brought in such courts or any claim that any such action or proceeding brought in such courts has been brought in an inconvenient forum.

This Rider may be executed in counterparts, all of which taken together shall constitute one and the same instrument. This Rider so executed may be transmitted electronically in PDF format and such transmission shall constitute effective delivery hereof.

Each individual signing this Rider on behalf of the DTC Crediting Participant and Lead Underwriter, respectively, represent and warrant that it is an officer of its respective firm, is duly authorized and has the authority to execute this Rider on its behalf.

The completed Rider shall be sent via email to the attention of DTC's Underwriting Department at: closingdesk@dtcc.com.

Lead Underwriter is to contact DTC immediately following transmission of such email to confirm both DTC's receipt thereof and DTC's acceptance of the Rider by contacting DTC's Underwriting Department at UW Hotline: 866-724-4402
