Non-Confidential

NOTE: TWO DAY EDS WINDOW FOR RELIEF AT SOURCE

NLMK 144A has announced a dividend. Deutsche Bank acts as Depositary for the company's Global Depositary Receipt ("GDR") program.

On DR Pay Date, all holders will have the opportunity to receive their full treaty benefits or 15% statutory withholding rate for non-treaty holders. All non-disclosed holders will receive this dividend net of the 30% withholding rate (15% statutory rate +15% non-disclosure punitive rate).

Effective January 1, 2014 there are new requirements on obtaining withholding tax relief on Russian DRs. These new requirements are standardized and apply to any Russian DR with a record date after January 1, 2014.

| DIVIDEND EVENT DETAILS | |
|-------------------------------------|--------------------|
| COUNTRY OF ISSUANCE | RUSSIAN FEDERATION |
| ISSUE | NLMK 144A |
| CUSIP# | 67011E105 |
| DEPOSITARY | DEUTSCHE BANK |
| DR RECORD DATE | OCTOBER 10, 2014 |
| DR PAY DATE | TBD |
| DR GROSS DIVIDEND RATE ON PAY DATE | TBD |
| ORD GROSS DIVIDEND RATE ON PAY DATE | 0.88 RUB |
| RATIO | 10 ORD : 1 GDR |
| NON-DISCLOSURE WHT RATE | 30% |

In order to avoid a 15% punitive withholding tax disclosure is now required on shares held as of record date. Shares are to be disclosed by country of residence and entity type. If no disclosure is made shares will be withheld at 30%. If proper disclosure is made you will receive your dividend at the withholding treaty rate or at the 15% rate for those countries where no tax treaty is in place with the Russian Federation.

Participants can use DTC's Elective Dividend System (EDS) function over the Participant Terminal System (PTS) or TaxRelief option on the Participant Browser System (PBS) web site to certify all or a portion of their position entitled to the applicable rate as per Double Tax Treaty and Statutory Rate. Use of EDS will permit entitlement amounts to be paid through DTC. By electing, Participants agree to the Agreements Representations and Indemnification below

PLEASE NOTE THAT THERE IS POTENTIAL FOR AUDIT ON YOUR DISCLOSED SHARES:

The Russian tax authorities may audit the beneficial holders claiming through this process for up to three calendar years after dividends payment. At a minimum audits may require an original certificate of residency with specific language for any individual or entity that elects for the statutory rate, or is eligible and elects for the DTT rate, under the treaty between the country of residence and the Russian Federation. These forms may also need to be apostilled. The documents in a foreign language should be translated into Russian and the translation needs to be approved by a public notary. There is a 3 months period to provide audit documentation to the authorities with possibility for 3 months extension. Please note the Russian tax authorities maintain the right to request additional information and/or forms at any time and from time to time. Participants and beneficial holders will be responsible and liable for any tax relief and for maintenance and provision of all supporting materials
