UNFAVORABLE 20%

For purposes of certifying via EDS on this dividend distribution, all shares that do not meet the criteria for the exempt rate noted above will be paid net of Irish dividend withholding tax applied at the unfavorable rate of 20%.

Partnerships and Trusts are entitled for tax relief via EDS as follows:

PARTNERSHIPS

For DWT purposes, a U.S. formed partnership is viewed as a U.S. resident only to the extent that all of the partnership's underlying partners are U.S. residents. If all partners are U.S. residents and have a U.S. address on the participant's books and records on the record date of October 17, 2014 (certified by the beneficial owner through a valid Form W-9), the partnership is entitled to exemption from DWT under the "U.S. Residents" EDS election category.

For DWT purposes, a relevant territory formed partnership is viewed as a resident of a "relevant territory" only to the extent that all of the partnership's underlying partners are residents of a "relevant territory" on the record date of October 17, 2014.

To qualify under this category, each partner must have:

c) An original Non-Resident Form V2A, V2B, or V2C on file with a QI closest to the beneficial owner and the partnership is disclosed to Computershare using **Appendix B**.

OR

d) An original Non-Resident Form V2A, V2B, or V2C provided to Computershare and the underlying partners are disclosed to Computershare using **Appendix B**.

Each partner must have provided the relevant Non-Resident Form V2A, V2B, or V2C to Computershare or other QI as applicable, and the beneficial owner is disclosed to Computershare using Appendix B by 8 P.M.

EST on the last day of the pre-pay date EDS election period to be eligible for payment via relief at source on pay date.

A non-relevant territory formed partnership, e.g. Cayman Islands, may potentially qualify under the OTHER ELIGIBLE ENTITIES EDS election category. To qualify under this category, the partnership must apply directly to the Irish Revenue Commissioners to receive a letter by concession granting the partnership an exemption at source from DWT (providing all partners are resident in a relevant territory) and they must have:

- a) A concession letter from the Irish Revenue Commissioners on file with a QI closest to the beneficial owner and the partnership is disclosed to Computershare using **Appendix B**.
- OR**
- b) A concession letter from the Irish Revenue Commissioners is provided to Computershare and the partnership is disclosed to Computershare using **Appendix B**.

In order to apply, the Irish Revenue Commissioners would require valid V2 Forms for all partners, a spreadsheet listing of all partners, and their percentage shareholdings.

The partnership must have provided the relevant concession letter to Computershare or other QI as applicable, and the partnership is disclosed to Computershare using Appendix B by 8 P.M. EST on the last day of the pre-pay date EDS election period to be eligible for payment via relief at source on pay date.

If any of these scenarios, if at least one partner is not a resident of a “relevant territory” or otherwise entitled to an exemption from Irish DWT, no part of the partnership's position is entitled to exemption from Irish DWT.

In instances where the partnership has been taxed at-source on a dividend payment, either the partnership (if all underlying partners are eligible) or an individual qualifying partner may apply for a refund of the tax withheld via a long form claim. For information on filing a long form claim after pay date, please contact Computershare.

TRUSTS

Taxable Trusts (for DWT purposes, "discretionary trusts"): If a trust is taxable at the entity level and falls within one of the exempt categories set out above at the level of the trust, it is entitled to exemption from DWT.

Non-taxable trusts (for DWT purposes, "non-discretionary trusts"): If a trust is not taxable at the entity level, eligibility for exemption from DWT depends on the residency of its underlying beneficiaries. If all beneficiaries are residents of relevant territories, the trust is entitled to exemption from DWT. If at least one beneficiary is not a resident of a relevant territory, no part of the trust's position is entitled to exemption from DWT and the trust's entire position is subject to the 20% DWT.

Withholding rate with Participant EDS certification for taxable trusts and non-taxable trusts whose beneficiaries are all residents of relevant territories: 0%

Withholding rate without Participant EDS certification and for Non-taxable trusts with at least one resident not in a relevant territory: 20%

***NOTE: The Finance Bill 2010, which has been enacted, replaces the requirement for Companies to complete the Non-Resident V2 Form certified by an external auditor with the requirement to complete a new self assessment Non-Resident V2B Form. Non-Resident V2 forms that have already been submitted will be valid until expiry.**

To ensure that beneficial owners who meet the exempt treatment criteria receive their **ACCENTURE PLC** dividends gross please notify DTC, via EDS, no later than **November 21, 2014**, as to the declaration of the shares representing Exempt and Unfavorable holders of record date **October 17, 2014**.

Please use the above contact information if you have any questions about this process.

This system is available for At Source, Quick Refund, and Long Form claims.

For DTC participants who filed incorrectly via the DTC EDS process and wish to amend their filing, please call Computershare at 212-747-9100. Late filings are subject to a Tax Relief Fee of up to \$0.0075 per share with a minimum service charge of \$25.00 withheld by Computershare.

Please note: Beneficial owners will not benefit from the accelerated tax refund procedure if claimants file after the deadline of **November 21, 2014**, but may submit claims to Computershare, who is available to assist in claiming refunds from the Ireland Revenue Office under the traditional long form process until **December 15, 2018**, or to the Irish Revenue Commissioners. Be advised that it is generally more advantageous to file a claim earlier, specifically under the accelerated tax refund procedure, as refunds claimed through the traditional long form procedure customarily experience extensive costs and delays.
