<b>Subject:</b>	DTC To Launch a Direct Link To Web Inquiry Notification Service (WINS) From Corporate Actions Web (CA Web) For Distribution Events

Beginning on December 2, 2014, clients will be able to link to the PBS Web Inquiry Notification Service (WINS) from the Corporate Actions Web (CA Web) for inquiries regarding Distribution events and related CA Web functionality. The link can be activated by clicking on “Contact Us” from the menu bar at the top of every CA Web screen or by selecting “Request Help” from the action menu appearing on the record detail page.

**Note that at this time the CA Web link is to be used to submit inquiries for Distribution events only. Clients must continue to submit inquiries concerning Reorganization and Redemption events by accessing WINS through existing portals until a future date, to be announced.**

Inquiries regarding ISO 20022 messaging as well as questions about DTCC’s Corporate Actions Transformation initiative should be directed to the Corporate Actions Transformation mailbox at [catransformation@dtcc.com](mailto:catransformation@dtcc.com).

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery.
