Subject:	Trade Information Warehouse Rename Event Processing for TOMKINS LIMITED

Please be advised that, as set forth in Section VII of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create a Rename Event for TOMKINS LIMITED. This request has been made by Successor Query Working Group.

Following are the pertinent details of the rename event:

Senior Reference Obligation

Successor Event Name: TOMKINS DEC14
Old Reference Entity: TOMKINS LIMITED
New Reference Entity: GATES WORLDWIDE LIMITED
New RED: GJADBWAA8
New Reference Entity ISIN : XS0176337599

Event Processing Start Date: December 22nd, 2014
Event Processing End Date: December 24th, 2014
Adherence Method: Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to December 22nd, 2014, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
