The ADR Depositories and GlobeTax always endeavor to provide the marketplace with as much time as possible to file At-Source refunds in markets where this type of service is available.

In certain situations, short deadlines imposed by our agents in the local markets necessitates a one day EDS window, most notably in Norway. We continue to work with our local market agents and Issuers to provide the marketplace with the maximum amount of time to make EDS elections.

*****Please note: The window period to make EDS elections will only be open for one day.*****
