In advance of the June 2014 commencement of the CA Web parallel testing period and mandatory transition to CA Web in October 2014 (see Important Notice B# 0704-14), DTCC continues to add helpful training tools to its Corporate Actions Transformation Learning Center.

An Instructions simulator was posted to the Learning Center on April 1, enabling clients to familiarize themselves with the navigation of CA Web’s Instructions functionality and practice entering instructions for the various services DTC offers on Distribution events.

Clients can access the Corporate Actions Transformation Learning Center at:

<https://dtcclearning.com/learning/assetservices/>

Click on the following link to launch the simulator:

If you have not already registered to use the Learning Center, this is a good time to do so in order to complete your training prior to the start of the parallel testing period in June.

**To register for the Asset Services Learning Center:**

1. Go to <https://dtcclearning.com/learning/assetservices>
2. On the right hand side of the page, click **Create account**
3. Fill out the required fields and click **Register**.
4. You will receive an email from DTCC acknowledging your registration request. A subsequent email will follow within one business day confirming approval of your registration.
