Revised: DTC EDS Cut-Off Date Revised To 5/30/14

BP P.L.C. (“BP”) has announced a quarterly dividend of USD \$0.0975 per ordinary share which equates to USD \$0.585 per American Depository Share (“ADS”). As an alternative to receiving the dividend in cash, holders may elect to receive the scrip dividend in additional ADSs at the U.S. rate T.B.A. The dividend will be paid on 06/20/14 to BP ADS holders of record at close of business on 05/09/14.

Option #1 Cash: You may elect to receive the dividend in cash of USD \$0.585 per ADS (**default**).

Option #2 ADS: You may elect to receive the dividend in additional ADSs. Fractional ADS entitlements will be paid in cash at the DTC client level.

The number of new ADSs entitled with this option is calculated as follows:

1. Record Date ADSs (X) \$0.585
2. The total cash received (above) / (Reference Price).

The Reference price of T.B.A. (converted into USD) for BP’s ordinary shares represents the average of the closing mid-price (converted into USD) for BP’s ordinary shares on the London Stock Exchange for the four days commencing on the ex-dividend date (05/07/14) and adjusted for the ADS - to - share ratio 1:6 (ii) plus a \$0.05 per newly issued ADS issuance fee. In this case the rate is 1 new ADS for every T.B.A. ADSs held as of the record date.
