Filing Instruction

- ※ The filing date is the date on which the withholding agent (or overseas investment vehicle) files this Report as received from another relevant overseas investment vehicle and the filing number is the serial number assigned to such filing.
1. This Report shall be prepared and submitted by an overseas investment vehicle if a Korean source income is paid through such overseas investment vehicle. In this regard, if the beneficial owners include both non-resident individuals and foreign corporations, this Report shall be prepared on a combined basis and not for each group separately. In the case where additional Korean source income is received after the submission of this Report, a new Report shall be prepared and submitted in any one of the following cases:
 - i) If an overseas investment vehicle changes its name, address, country of residence, entity type, telephone number or tax rate to be applied, etc.;
 - ii) If an overseas investment vehicle, which was initially reported as an overseas public collective investment vehicle, has lost such status as a result of not satisfying the relevant requirements such as regarding number of investors; or
 - iii) If three years have elapsed since the submission of this Report.
 2. Items ① and ⑱. Enter the full English name of the overseas investment vehicle or the initials of the overseas investment vehicle with its full name in parentheses.
