Subject:	Special Deposit and Withdrawal Procedures – LIVANOVA PLC CUSIP: G5509L101

On October 19, 2015, LivaNova PLC ('LivaNova') will list UK Ordinary Shares on NASDAQ. DTC Participants and their clients that re-register physical shares of LivaNova may be subject to United Kingdom stamp duty.

As DTC will not be collecting nor remitting such UK stamp duty, on the October 19, 2015 effective date, LivaNova shares will be made eligible for virtually all book-entry DTC services, with the exception of physical deposits and physical withdrawals (and DRS). DTC and LivaNova's transfer agent, Computershare have, however, developed special procedures that will accommodate the deposit and withdrawal of shares to a Participant's account via DTC's Deposit and Withdrawal at Custodian ("DWAC") process, the details of which are outlined in the attached procedures. It is important for Participants looking to deposit or withdraw shares from their DTC account to familiarize themselves with these procedures.

SPECIAL INSTRUCTIONS FOR DEPOSITS OF LIVANOVA PLC ORDINARY SHARES INTO DTC.

Note: The DTC Deposit function has been turned off, the below steps must be followed in order to successfully deposit LivaNova PLC ordinary shares into DTC

DEPOSITS INTO DTC

Step 1: Shareholder to complete LivaNova Stock Transfer and Deposit Request Form.

This form must be signed by the registered shareholder and Medallion-guaranteed, and must contain the depositing DTC participant's number, the account number with the depositing DTC participant, as well as the DTC participant's contact name and contact phone number.

Completion of the LivaNova Stock Transfer and Deposit Request Form.

The Field "Value of Securities" should be left blank. As per Step 3 below, once the original forms are received by Computershare, a representative from Computershare will contact the DTC participant noted in the contact details of the Stock Transfer and Deposit Request Form and will advise them of the Value of the Securities. The Value of the Securities (in this case, the market value of the shares) will be based on LivaNova closing price in USD on NASDAQ, as at the date the Stock Transfer and Deposit form is executed.

The Stamp Duty will then be calculated as follows:

- Multiply number of shares by LivaNova closing price on the NYSE as at the date the Stock Transfer and Deposit form is executed.
- Convert the USD market value of the shares (as per above - noted on the Stock Transfer and Deposit Request Form under 'Value of Securities' US\$) into Great Britain Pounds ('GBP') using the Foreign Exchange rate as of the date the Stock Transfer and Deposit form is executed.
- Multiply market value of the shares (as per above) by the Stamp Duty rate of 1.5% (rounded up to nearest £5).
- The wire-payment to Computershare must be in GBP.

Step 2: Send the original share certificate and the completed LivaNova Stock Transfer and Deposit Request Form to:

Regular mail:

Computershare
P.O. Box 43001
Providence, RI 02940-3001

Overnight/certified/registered delivery:

Computershare
250 Royall Street
Canton, MA 02021

Step 3: Once Computershare receives the original LivaNova share certificate and completed Stock Transfer and Deposit Request Form, a representative from Computershare will contact the DTC participant noted on the Stock Transfer and Deposit Request Form and will advise the DTC participant:

- i) The required Stamp Duty in Great Britain Pounds ('GBP')
Note: once the Stamp Duty amount is communicated, the DTC participant must wire the GBP the same day, otherwise the transaction will be rejected. Computershare will then remit payment to HMRC along with the Stock Transfer and Deposit Form to be 'stamped'.
- ii) Computershare's wire account information.

Step 4: Provided your documentation is in good order and that we have received the proper payment in GBP; Computershare will send the transfer form to be stamped by HMRC at their offices in Birmingham, England. Once we receive the stamped form back from HMRC, Computershare will contact the DTC participant noted on the Stock Transfer and Deposit Request form and will advise the DTC participant:

- i) To initiate a DWAC deposit; **the DWAC must contain the registration name that appears on the share certificate as well as the share certificate number(s) in the comment section**

It is important that you follow the steps above to ensure that your transfer can be completed. Provided your documentation is in good order and that we have received the proper payment in GBP from your broker, we will send it to be "stamped" by HMRC at their offices in Birmingham, England, and will aim to complete your transfer within 5 business days from the time it is received back from HMRC (*please note that Computershare is not in a position to advise how long it may take for the entire process to be completed*). If your transfer cannot be processed due to missing or incomplete documentation, we will contact you for more information.
