Please be advised that, as set forth in Section VII of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create a Rename Event for WISCONSIN ENERGY CORPORATION

Following are the pertinent details of the rename event:

Senior Reference Obligation

Successor Event Name: WISCONSIN NOV15
Old Reference Entity: WISCONSIN ENERGY CORPORATION
New Reference Entity: WEC Energy Group, Inc.
New RED: 9BBCC3AB5
New Reference Entity ISIN : US976657AK29

Event Processing Start Date: November 4th, 2015
Event Processing End Date: November 6th, 2015
Adherence Method: Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to November 4th, 2015, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
