MOBILE TELESYSTEMS OJSC (MBT) has announced a dividend. J.P. Morgan acts as Depository for the company's Depository Receipt ("DR") program.

On DR Pay Date, holders may have the opportunity to receive their dividend net of the applicable withholding rate as per tax treaty rate.

Effective January 1, 2014 there are new requirements on obtaining the treaty rate as per treaty on Russian DRs applying to any Russian DR with a record date after January 1, 2014.

In addition to these new requirements there are also changes to withholding rates for Depository Receipts with a Russian payable date after January 1, 2015.

The punitive withholding rate of 30% that existed on Russian DRs with payable dates from January 1, 2014 – December 31, 2014 was abolished; the new statutory rate is 15%.

PLEASE NOTE THAT THERE IS POTENTIAL FOR AUDIT ON YOUR DISCLOSED SHARES:

The Russian tax authorities may audit the beneficial holders claiming through this process for up to three calendar years after dividends payment. At a minimum audits may require an original certificate of residency with specific language for any individual or entity that elects for the statutory rate, or is eligible and elects for the DTT rate, under the treaty between the country of residence and the Russian Federation. These forms may also need to be apostilled. The documents in a foreign language should be translated into Russian and the translation needs to be approved by a public notary. There is a 3 months period to provide audit documentation to the authorities with possibility for 3 months extension. Please note the Russian tax authorities maintain the right to request additional information and/or forms at any time and from time to time. Participants and beneficial holders will be responsible and liable for any tax relief and for maintenance and provision of all supporting materials. Note that audits requiring a certificate of residency to prove a tax benefit are only to be performed on those holders receiving a treaty rate. Any holders receiving a non-treaty 15% statutory rate **will not** be required to provide a certificate of residency but may be asked in an audit to provide some other more limited documentary evidence to support their initial disclosure
