From:	Product Management
Subject:	Credit Event Processing for The Republic of Ukraine

Please be advised that, as set forth in Section IV of the Trade Information Warehouse Appendix to the Trade Information Warehouse Operating Procedures, following an announcement from ISDA Determinations Committee that a credit event has taken place with respect to The Republic of Ukraine, the Trade Information Warehouse (“TIW”) has activated the Protocol Adherence Message function for the reference entity name listed above. Therefore, a Protocol Activation Event has occurred.

The Credit Event Master Records will be updated with additional event timeline dates as they become available.

Event Name: UKRAINE SEPT15

In accordance with the provisions of the ISDA Auction Protocol, as auction settlement details are incorporated in the confirmations, all eligible Warehouse records will be included in credit event processing automatically – there is no requirement to submit an automated adherence request form for this event. Firms have the option to revoke adherence of individual Warehouse records if they so choose. Revocation needs to be completed prior to the Event Processing Start Date for the above event. For further information on how credit events are processed, please visit our website:
