Subject:	Trade Information Warehouse Rename Event Processing for HEWLETT-PACKARD COMPANY

Please be advised that, as set forth in Section VII of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create a Rename Event for HEWLETT-PACKARD COMPANY.

Following are the pertinent details of the rename event:

Senior Reference Obligation

Successor Event Name: HEWLETT DEC15
Old Reference Entity: HEWLETT-PACKARD COMPANY
New Reference Entity: HP Inc.
New RED: 4E477PAA2
New Reference Entity ISIN : US428236BV43

Event Processing Start Date: December 16th, 2015
Event Processing End Date: December 18th, 2015
Adherence Method: Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to December 9th, 2015, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
