REQUIREMENTS TO QUALIFY FOR U.S. TREATY BENEFITS

CATEGORY	DESCRIPTION / CLARIFICATION
U.S. INDIVIDUAL	U.S. citizens or “green card” holders are only considered as resident in the United States if they have a substantial presence, permanent home, or habitual abode in the United States. Additionally, Individual retirement accounts (IRAs) and Simplified employee pension plans (SEPs) should be included within this option.
U.S. CORPORATIONS	Is a corporation (other than a RIC or an S-Corporation) created or organized under the laws of the United States. To be considered eligible, the corporation must qualify under at least one of several “tests” recognized under Article 22 Limitation of Benefits of the 1998 U.S. – Switzerland Tax Convention. Among the most common tests are: a) activity test: the corporation must conduct an active trade or business in the United States. b) predominant interest test: more than 50% of the owners of the company must be United States residents. c) Stock exchange test: the corporation or the ultimate beneficial owner of a predominant interest in the corporation is primarily and regularly traded on a recognized stock exchange.
CHARITIES AND FOUNDATIONS	An “Other Entity” such as a charitable entity, endowment, foundation, state or religious organization created under the laws of the United States. U.S tax exempt organizations.
U.S. PARTNERSHIPS, S-CORPS, TRUSTS AND ESTATES	U.S. partnership, S-Corp, estate or trust, created or organized under the laws of the United States are eligible to the extent that the dividend income is subject to tax, either in the hands of the entities or in the hands of their partners or beneficiaries that are U.S. residents. Therefore, these transparent entities are only entitled to receive the favorable tax treatment on the percentage of DRs which are owned by U.S. residents.

REGULATED INVESTMENT COMPANIES	A RIC is considered eligible when it is created or organized under the laws of the United States and more than ninety-five percent (95%) of the beneficial owners of the RIC are residents of the U.S.. RICs which meet this requirement will receive favorable tax treatment on one hundred percent (100%) of their record date position. Note: RICs which are made up of ninety-five percent (95%) or less of United States residents are only entitled to receive the favorable tax treatment on the percentage of shares which are owned by U. S. residents.
U.S. EXEMPT PENSION	Is a pension plan or retirement arrangement exempt in the United States of which more than half of the beneficial owners are residents of the United States. Eligible U.S. pension plans or other retirement arrangements generally include U.S. resident tax exempt trusts providing pension or retirement benefits under Internal Revenue Code (IRC) section 401(a) for qualified pension plans, profit sharing plans (including 401(k) arrangements), and stock bonus plans. Additionally, non-qualified plans defined under IRC sections 457 (b) – deferred compensation plans of state and local governments and tax exempt organizations and 403 (b) – tax-sheltered annuities purchased by certain tax exempt organizations or public schools may also generally qualify for exemption.

81-100 Attestation

(On Company Letterhead)
United States Group Trust Attestation 81-100
Of Eligibility for Treaty Relief

Name of Group Trust: _____

We hereby attest to the following:

Under Article 10(3) (Dividend) of the United States (“U.S.”) - Switzerland Tax Treaty (Treaty), a 0% tax rate applies to a resident of the U.S. if it is described in subparagraph 4(b) of Article 28 (Miscellaneous) and if the resident does not control the company paying the dividend. Per Article 28 4(b), the resident qualifies for treaty relief if the competent authority of that State agrees that the pension or other retirement arrangement in the other Contracting State generally corresponds to a pension or other retirement arrangement recognized for tax purposes by that first-mentioned State. Under Article 4 (c)(1) (Resident) a resident includes a pension trust and any other organization established in that State and maintained exclusively to administer or provide pensions, retirement or employee benefits, that is established or sponsored by a person resident in that State.

As each investor must ensure compliance with one of the above-referenced eligibility requirements, [Fund Name] in its capacity as Trustee of the Trust, does not collect a Form 6166 from each investor in the Trust listed on page 2 of this document. As each investor is either a U.S. domiciled tax-qualified retirement plan that is established pursuant to Section 401(a) of the Internal Revenue Code of 1986, as amended (the “Code”) or a governmental plan established pursuant to Section 414(d) and 457(b) of the Code, however, we do recognize that the status of any U.S. pension or retirement arrangement claiming benefits under Article 10 (3) is subject to verification by the Swiss tax authorities, and recognize that the Swiss tax authorities may consider it necessary to request forms 6166 from certain participants in the enclosed listing.
