Subject:	Change In Reminder Notification Period For OFAC Re-Confirmation

Since 2009, Participants and Pledges have been providing DTC with a Confirmation of an OFAC Program (“OFAC Confirmation”) once every two years. When this program was initially implemented, Participants and Pledges were required to provide the OFAC Confirmation as an originally signed hard-copy letter. As a courtesy, DTC has been notifying Participants and Pledges (via e-mail) 90 days prior to the expiration of the existing OFAC Confirmation on file at DTC, as a first reminder to submit the new OFAC Confirmation before the expiration date. Additional e-mail reminders are sent to Participants and Pledges 60 days, 30 days, 20 days, 10 days, 3 days, 2 days and 1 day prior to the expiration date if the OFAC Confirmation is not received by DTC during this period.

In 2011, DTC automated this process to allow Participants and Pledges to submit the OFAC Confirmation via a web browser application. Since then, Participants have given DTC feedback that less advanced notice is needed to remind them of the upcoming expiration of their OFAC Confirmation.

Effective, May 22, 2015, DTC will change the first reminder e-mail notification sent to Participants and Pledges from 90 days to 60 days prior to the expiration date to be in line with the issuance of the password reset credentials for the web browser application sent via e-mail to the designated OFAC Compliance Officer on file at DTC 60 days prior to the expiration date. All other reminders that Participants and Pledges receive after the 60-day notification (mentioned above) will remain the same.
