*****WARNING TIME CRITICAL*****

The event defined in this Important Notice is NOT a Cash Dividend with a Dividend Reinvestment option. The event has been established as a Stock Dividend Program by the issuer. The distribution will be paid in cash unless opting to receive the stock dividend.

ARC Resources Ltd. has declared a dividend of **CAD 0.10 per share** to shareholders of record at the close of business 05/29/2015. The dividend will be paid in cash; however, shareholders can elect to receive stock dividend shares in lieu of the cash dividend.

DTC is utilizing two functions (Dividend Reinvestment and Foreign Tax Withholdings) within the CA Web to process this dividend. This will allow participants the ability to elect to receive the stock dividend shares and Canadian currency and/or the cash dividend and Canadian currency where eligible.

Participants wishing to elect stock dividend shares must use the Dividend Reinvestment Program on CA Web. The stock dividend is not subject to Canadian non-resident tax withholding. Participants making this election will be prompted to enter a Tax Exempt Control number which, for this distribution only, should be entered as 999999.

For participants electing the option to receive the stock dividend shares; residents in the state of California are not entitled to the stock election as defined in the Securities Act of 1933.

Shareholders who elect to receive stock dividend shares in ARC Resources Ltd. will receive these shares at 97% of the weighted average market price calculated 5 days before the payment date, a 3% discount to the average market price, such rate to be determined and is subject to 0% Canadian non-resident tax withholding. Participants will be paid 100% of their stock dividend entitlement inclusive of the discount in whole shares. The disposition of fractional entitlement is TBA.

Due to the way this dividend is being processed, Participants should contact their respective DTC Relationship Manager if unable to access CA Web for either the Dividend Reinvestment or Foreign Tax Withholdings functions.
