Subject:	Enhancements to the Legal Notice System (“LENS”) for Conversion Notices

Effective Friday June 19th, 2015, LENS will be expanded to include Conversion Notices. A new legal notice sub-type has been created for Conversion Notices. Starting June 19th, 2015, all Conversion Notices will be indexed under notice type “LG” and sub-type “Conversion Notices”. LENS is a comprehensive online library of notices concerning DTC-eligible securities, including legal notices to security holders, bankruptcies, defaults, dissent notices, litigation and class action suits, and certain tax-related notices. These notices remain on the DTCC website for five years.

Questions regarding LENS registration or about this notice can be directed to your Account Manager, Relationship Manager or Daniel Lachaga at (813) 470-1209/dlachaga@dtcc.com

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery.
