Subject:	Trade Information Warehouse Rename Event Processing for Airbus Group N.V.

Please be advised that, as set forth in Section VII of the Trade Warehouse Appendix to The Warehouse Trust Company LLC Operating Procedures, it has been requested that the Trade Information Warehouse (“TIW”) create a Rename Event for Airbus Group N.V.

Following are the pertinent details of the rename event:

Senior Reference Obligation

Successor Event Name: AIRBUS JUL15
Old Reference Entity: Airbus Group N.V.
New Reference Entity: Airbus Group SE
New RED: NN2A8FAB5
New Reference Entity ISIN : XS0176914579

Event Processing Start Date: July 1st, 2015
Event Processing End Date: July 3rd, 2015
Adherence Method: Auto Auto adherence

Events that are set for Auto-Auto adherence will mean that the TIW will automatically adhere all transactions with the relevant reference entity name, regardless of the reference obligation used on that transaction.

If firms do not want transactions to be renamed in accordance with these events, firms must un-adhere those transactions. This un-adherence should be completed prior to July 1st, 2015, the Event Processing Start Date of these events. The TIW will only process Records that remain adhered by both parties. Additional information can be found in the Product Training and Support section of the TIW in a Self Study Guide: Practical Guide – Successor Events Processing.
