

Important Notice

Fixed Income Clearing Corporation - GOV

GOV #:	068-15
Date:	September 11, 2015
To:	All Participants
Category:	Service Update
From:	Product Management
Attention:	Managing Partner/Officer, Operations Partner/Officer, Manager P&S Department, Manager Data Processing Department
Subject:	DTCC Portal 2 Factor Authentication

On October 10, 2015, The Fixed Income Clearing Corporation (“FICC”) will enforce 2 factor authentication for all FICC Portal applications accessed via the following URL: <https://portal.dtcc.com>. This change may impact users of the following products:

- CDTS Participant Output Dashboard (FICC)
- Risk FICC Customer Reporting (FICC)

What does this mean?

Beginning October 10, some users may experience the following immediately after logging into the portal:

- Receive an alert on their screen notifying them that their computer is not recognized and prompting them to enter an Activation code.
- The Activation code will be automatically delivered to the user’s registered e-mail address.
- The user enters the Activation Code, which registers his computer and redirects him to the Portal main page.

Please read the step-by-step guide to entering an Activation code at:

<http://dtcc.com/~media/Files/PDFs/portal-cookie-instructions.pdf>.

Going forward, the user will only be prompted to enter an activation code when logging in from a new computer or after deleting his or her browser history.

Questions regarding this Important Notice should be directed to DTCC’s Customer Service Center by dialing 888-382-2721 Option 1 then Option 3.

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery. To learn more and to set up your own DTCC RSS alerts, visit http://www.dtcc.com/subscription_form.php.
