SUBJECT:	TESTING DATES FOR CORPORATE BOND, MUNICIPAL BOND, UIT REAL TIME TRADE MATCHING SYSTEM (CMU RTTM) WEB REWRITE

As previously announced via Important Notice [A8530](#) and [A8565](#) NSCC is redesigning and improving its CMU RTTM Web system. As part of this effort and prior to the new web screens going into production, we will be requiring firms that access CMU RTTM Web to test on a mandatory basis.

Mandatory Participant Testing

The mandatory testing period will begin **July 18th** and run through September 14th.

To coordinate this effort and to get additional details, please contact our User Acceptance Test (UAT) group at FICCIImplementation@dtcc.com. The UAT team will provide you with additional instructions and a set of test scripts. In addition, a provisional '*Quick User Guide*' will be made available to all participants.

Participants Need to Ensure Access to CMU RTTM PSE Test Region

CMU Web Operators need to ensure they are able to access the CMU RTTM PSE test region as testing will be mandatory. DTCC has commenced an outreach to Participants via email asking firms to check access to the test region. If you have not received an email on this regards, please contact the undersigned.

If you have any questions regarding this or other CMU RTTM services, please enter your question into the PBS WINS function, reach out to your Relationship Manager, or contact the undersigned at 813-470-1030 (dconfessorisimmons@dtcc.com) or Ed Fanning, Director Product Management at 212-855-7623 (efanning@dtcc.com).
