BROKERAGE OPERATIONS, INFORMATION SYSTEMS
From: NSCC Insurance & Retirement Services
Subject: I&RS 2020 March Enhancement Release

Overview:

As part of our ongoing effort to support industry requests, the Insurance and Retirement Processing Services (“I&RS”) has scheduled an enhancement release for March 2020. This is the first of two scheduled enhancement releases for 2020. I&RS Enhancement Releases include Review Board Enhancement Requests submitted by members, as well as maintenance items National Securities Clearing Corporation (“NSCC”) deems necessary to improve the overall operational performance of the systems.

The enhancements include the addition of new information fields on current I&RS record layouts to support new features on I&RS products. Modifications include new fields and code values added to existing code lists.

The enhancements in the March 2020 release will affect the following services and functionalities:

APP/SUB – Applications and Subsequent Premiums
CST – Commission Schedule Transmittal
FAR – Financial Activity Reporting
IFW – InForce Web Transactions
POV – Positions & Valuations

Schedule:

Test - Thursday, February 13, 2020
Production – Thursday, March 19, 2020

Specification Documents:

Documentation is available at the I&RS website, <http://www.dtcc.com/wealth-management-services/insurance-and-retirement-services/technical-support-center>. Click on the Current Release link within the Enhancements section.

All changes on the record layouts are highlighted in yellow. Items may be added to the list below as NSCC may deem advisable.

- March 2020 Enhancement Release Technical Specifications Document
- Draft APP/SUB Record Layouts
- Draft CST Record Layouts
- Draft FAR Record Layouts
- Draft Inforce Web Transactions Data Dictionary & Schemas
- Draft POV Record Layouts

Release Specifications:

These changes are based on the recommendations made by the originator of the enhancement request and approved by I&RS.

The enhancement requests can be found at our website under “Current Release” in the Enhancements section of our website. Do not use the actual enhancement request document for programming. The Draft Record Layouts and 2020 March Enhancement Release Technical Specifications Document should be used for this purpose. We are making the enhancement request documents available to summarize the business purpose for the changes.

For additional information on this enhancement release, please contact your Relationship Manager.
