Subject:	NEW TEST REGION FOR PRE-ISSUANCE MESSAGING (PIM) SERVICE

Important notices 10589-19, published on February 13, 2019, and 11737-19, published on July 2, 2019, announced that Depository Trust Company (DTC) was moving the testing region for Pre-Issuance Messaging (PIM) Service from Test Queue Manager DTC01 to U System/PSE Queue Manager DTC0U. The effective date for the migration will be June 30th, 2020. After June 30th, 2020, Issuing Paying Agents will no longer have the capability of testing in the old environment. Therefore, if you want to continue testing in PIM, you must establish a connection to the new system.

If you haven't done so already, please contact DTCSupport@dtcc.com to verify / migrate your testing capabilities onto the new environment.

Questions regarding this important notice or the PIM migration to the new testing environment should be directed to your Relationship Manager.
