Each purchaser of Securities (1) represents to and agrees with the Issuer and the Agents that (A) (i) the purchaser is a QIB who is a QP (a "QIB/QP"); (ii) the purchaser is not a broker-dealer which owns and invests on a discretionary basis less than \$25 million in securities of unaffiliated issuers; (iii) the purchaser is not a participant-directed employee plan, such as a 401(k) plan; (iv) the QIB/QP is acting for its own account, or the account of another QIB/QP; (v) the purchaser is not formed for the purpose of investing in the Issuer; (vi) the purchaser, and each account for which it is purchasing, will hold and transfer at least the minimum denomination of Securities; (vii) the purchaser understands that the Issuer may receive a list of participants holding positions in its securities from one or more book-entry depositories; and (viii) the purchaser will provide notice of the transfer restrictions to any subsequent transferees; or (B) it is not a U.S. Person and is purchasing the Securities outside the United States and (2) acknowledges that the Issuer has not been registered under the Investment Company Act and the Securities have not been registered under the Securities Act and represents to and agrees with the Issuer and the Agents that, for so long as the Securities are outstanding, it will not offer, resell, pledge or otherwise transfer the Securities in the United States or to a U.S. Person except to a QIB that is also a QP in a transaction meeting the requirements of Rule 144A. Each purchaser further understands that the Securities will bear a legend with respect to such transfer restrictions. See "Transfer Restrictions" in the Offering Memorandum.

The charter, bylaws, organizational documents or securities issuance documents of the Issuer provide that the Issuer will have the right to (i) require any holder of Securities that is a U.S. Person who is determined not to be both a QIB and a QP to sell the Securities to a QIB that is also a QP or (ii) redeem any Securities held by such a holder on specified terms. In addition, the Issuer has the right to refuse to register or otherwise honor a transfer of Securities to a proposed transferee that is a U.S. Person who is not both a QIB and a QP. As used herein, the terms "United States" and "U.S. Person" have the meanings given such terms in Regulation S under the Securities Act.
