Subject:	DTCC Learning Center Redesign

On December 6, 2021, the DTCC Learning Center will go live with a complete site redesign. With this new site, you will find:

- Streamlined navigation
- Improved search functionality
- Enhanced personalization features
- Simplified menus and filtering
- Modernized look and feel

To gain access to the most available content, users must register for a DTCC Learning Center account and log in. If you don't already have one, to register for an account, click [here](#).

Client Action:

The DTCC Learning Center remains accessible via www.dtcclearning.com and your existing DTCC Learning Center User ID will continue to work. It will also continue to be accessible via DTCC's portals.

In preparation for the launch of the updated site, we recommend you review your existing bookmarks in your [Learning Dashboard](#) and take note of the various resources. On the new site, you will need to find and re-bookmark those resources. Another recommendation is to review your Profile settings as you will be able to hone in more specifically on your individual products of interest to further personalize your experience.

If you are currently enrolled in any of our eLearning courses, please complete all modules before December 3, 2021 otherwise, you will need to reenroll in those courses once the new site is launched.

Be on the lookout for more information about the launch of the new DTCC Learning Center, including tips for ensuring a smooth transition to make the most of your experience on the site.
