Synopsis:

- Pursuant to Italian Legislative Decree n. 239 dated April 1, 1996, income (including interest) derived from the Notes and the 144A Receipts by:
 - o non-Italian **beneficial owners resident**, for tax purposes, in a country that allows for a satisfactory exchange of information with Italy (the "**White List**" see Annex A);
 - o central banks of all nations (see Annex A); and
 - o **supranational organizations,** like the World Bank, the U.N., and other such organizations recognized by Italy (see Annex A);

will not be subject to Italian Substitute Tax unless the beneficial owner and/or its DTC participant fails to comply with the relevant tax-residency certification and position-reporting procedures as described below or as laid out by their custodian bank in the case of 144A Notes held in an account of Monte Titoli or the Reg S Notes via the ICSD Common Depository.

- Beneficial owners or their authorized representatives (including DTC participants) must sign a ONE-TIME self-certification form contemporaneously with their first purchase of any of the securities.
- Each self-certification form will be kept on file for 10+ years in the Acupay CORE¹ LibraryTM, where its image can be viewed by the relevant DTC participant and the local withholding agent, Monte Titoli, through an Acupay System secure portal. Forms must be updated to reflect changes to client information.
- If all of the procedures laid out in this notice (and the related offering memorandum) are followed properly,
 a signed and confirmed self-certification form will be able to support <u>ongoing exemption</u> from Italian
 Substitute Tax on both current and future purchases of the 144A Receipts.
- To receive exempt treatment for its beneficial owner clients, each DTC participant is required to:
 - Provide and continually update, via the Acupay System, a complete and accurate <u>record of the</u> <u>settlement of each transaction</u> resulting in a change to the beneficial owner's holdings in the 144A Receipts; and
 - o Ensure that a valid self-certification form for each such beneficial owner is on file with Acupay.

If either of these two conditions is not met,

- the corresponding position in the "gross-paying" CUSIP (or "144A X Receipt"), after a warning and cure period, will be subject to a procedure of <u>mandatory exchange</u> into an alternate "net-paying" CUSIP (or "144A N Receipt").
 - Interest on such exchanged position will be paid NET of the Italian Substitute Tax for the period commencing on the settlement date of the acquisition of the related 144A N Receipts, and continuing to, but not including, the sooner of (a) the settlement date of the disposal of the related 144A N Receipts or (b) the redemption date of the 144A N Receipts.
 - The 144A N Receipt position will be chilled in DTC and unable to be transferred via DTC unless such position is transferred upon compliance with the applicable transfer and exchange procedures, including, without limitation, payment of the Italian Substitute Tax on

¹ Certificate of Residence Eligible (CORE)

any interest, including any original-issue discount accrued, but not yet paid, until the settlement date of a prospective transfer, as more fully described in the offering circular.

- The holder of the non-exempt position will be required to pay Italian Substitute Tax for the period when such position was held in the 144A X Receipt. A tax payment request will be submitted through the relevant DTC participant.
- The Acupay Italian Tax Compliance and Relief Procedures contained in Annex B to the offering memorandum supplement dated June 19, 2020 and the Italian "White List" Countries and lists of Supranational Entities and Central Banks are available at www.acupay.com/italy.

NOTE: Holders and intermediaries holding 144A Note (ISIN: IT0005415200) in an account at Monte Titoli or Reg S Note (ISIN: XS2196325331) via the ICSD Common Depository must contact their custodian bank and follow the procedures set out by their custodian bank in order to obtain relief from Italian substitute tax.

Procedure (A): Continuing Settlement Date "Position Updates"

- 1) To receive exempt treatment, the relevant DTC participant (or a downstream correspondent maintaining a holding with a DTC participant) must follow the steps below:
 - A. On or prior to 9:45 AM New York City time on the <u>first New York Business Day after each settlement date</u> of each and every transaction that results in either a positive or a negative change in beneficial holdings at the participant in the CUSIP (either for a customer account or the firm's own position), **each DTC participant must transmit a report of each settled transaction** through the Acupay System. Settlement reports must be submitted for all transaction types, including buys, sells, free-deliveries and free-receives.
 - B. The Acupay System will indicate in real-time whether or not a self-certification form is already on-file in the Acupay CORE LibraryTM for each beneficial owner whose position is being increased. DTC participants are able to view self-certification forms currently on file for their clients through their Acupay System account.
 - C. If, after submission of new transaction settlement data, the Acupay System indicates that one or more related beneficial owners do not already have a valid self-certification form on file, **the system will support the electronic generation of a self-certification form** and KYC confirmation document for the relevant beneficial owners.
 - Self-certification forms and KYC confirmation documents must be prepared online through the facilities of Acupay (<u>www.acupaysystem.com</u> for DTC participants), and must contain an official Acupay barcode.
 - ii. Once prepared via the Acupay System, self-certification forms and related KYC confirmations should be printed, reviewed, and (if accurate and correct) signed by the DTC participant (or its downstream correspondent custodian) acting on behalf of each beneficial owner.²

 $^{^2}$ It is required that every self-certification be confirmed by a custodial intermediary using "Know Your Customer" principles.

iii. The Acupay System automatically generates relevant certification text for each type of beneficial investor, including partnerships and other tax-transparent entities.³ Instructions and help-keys are available on the Acupay System. Assistance via email or by telephone is also available, free-of-charge, from the Acupay teams in New York and London at the contact details provided at the end of this notice.

NOTE: Self-certification forms will generally remain valid indefinitely for all of the Italian 144A Receipts serviced by Acupay in which the beneficial owner acquires a beneficial ownership interest and holds through a participant where a self-certification form has already been received. However, prompt updates must be made should the investor's information change.

- D. <u>Transmit via fax or PDF / email via the Acupay System</u> (to the email address or fax numbers indicated in the Acupay System) the completed and signed <u>self-certification form (and KYC confirmation document)</u> for receipt no later than 8:00 PM New York City time on the settlement date of a beneficial <u>owner's first purchase of the 144A Receipts</u>.
- E. **Send via post or courier** to Acupay each original, signed self-certification form and KYC confirmation document that was previously faxed or emailed. The original paper, signed documents MUST be received by Acupay no later than 5:00 PM London time on the 10th calendar day of the month following the month when the related "first purchase" of 144A Receipts occurred (or if such day is not a London business day, the first London business day immediately preceding such day) at the following address:

Acupay System LLC

NOTE: A DTC participant that obtains exemption from Italian Substitute Tax and fails to provide to Acupay the original self-certification form and/or KYC confirmation document by the above-indicated deadline may be prohibited from using the CA Web / Tax Relief and related procedures to obtain favorable tax treatment for current and future interest payments on all of the 144A Receipts held through such DTC participant. In an event such as this, the DTC participant would receive the interest payments on the entire position held on behalf of all beneficial owner clients net of the Italian Substitute Tax, and relief would need to be obtained directly from the Italian tax authorities, in accordance with Italian law.

2) If the beneficial owner or its DTC participant fails to comply with the above procedures, the related position will be subject to a <u>MANDATORY EXCHANGE</u> into the alternate 144A N Receipt, which will be paid net of Italian Substitute Tax for the period commencing on the settlement date of the acquisition of the related 144A N Receipts, and continuing to the sooner of (a) the settlement date of the disposal of the related 144A N Receipts or (b) the redemption date of the 144A N Receipts, and chilled from transfer via

³ There will be no need to supply information about the partners of many forms of collective investment partnerships, so long as the partnerships are established in "White List" countries and are not maintained for the purpose of principally targeting Italian resident investors.

DTC. **This status will remain until** such position is transferred in compliance with the applicable transfer and exchange procedures laid out in the offering memorandum for the securities, including, without limitation, payment of the Italian Substitute Tax on any interest accrued, but not yet paid, until the settlement date of a prospective transfer.

- A. A DTC participant holding a 144A Receipt position for which a <u>MANDATORY EXCHANGE</u> is required would receive a **Mandatory Exchange Warning Notice** and (if the problem is not cured) a **Mandatory Exchange Notice** from the Receipt Issuer or the Receipt Paying Agent on its behalf, instructing such participant to undertake:
 - i) a DWAC withdrawal operation prior to 11:30 AM New York City time for the indicated 144A X Receipt position, and
 - ii) a corresponding DWAC deposit operation for the alternate 144A N Receipt.
- B. The Mandatory Exchange Notice may (if appropriate) include a Tax Liability Amount Payment Request, specifying the Tax Liability Amount accrued (if any) by the non-eligible Beneficial Owner of such 144A X Receipt from the date of acquisition until the Exchange Deadline. Such amount (if any) must be paid prior to 9:00 AM New York City time on the 10th day of the calendar month immediately following the date of the related payment request.
 - In the event that a Tax Liability Amount is not transmitted in full by 9:00 AM New York City time on the 10th day of the calendar month immediately following the date of the related payment request, the relevant DTC participant acknowledges and agrees that, following a claim for the recovery of such amount made by Monte Titoli, or, at the option of Monte Titoli, by the Receipt Issuer or the Receipt Paying Agent on its behalf, following written instructions received from Monte Titoli to DTC, such DTC participant's DTC account shall be debited in accordance with the published rules and procedures of DTC's CA Web/Tax Relief (as defined in the Tax Certification Procedures).
- C. In the event that an electronic report of the completion of the DWAC described in paragraph 2.A.i. has not been received by the Receipt Issuer or the Receipt Paying Agent on its behalf through the facilities of DTC by the Exchange Deadline, the Receipt Issuer or the Receipt Paying Agent on its behalf shall promptly, thereafter, send a notice to the relevant DTC participant indicating that such DTC participant will receive interest payments on the entire position in the 144A X Receipts held by such DTC participant, net of the applicable Italian Substitute Tax, and relief would, thereafter, need to be obtained directly from the Italian tax authorities, following the direct refund procedure established by Italian law.
- D. A DTC participant that was the subject of a **Mandatory Exchange Notice**, and has failed to complete the required DWACs, may be **prohibited** from using CA Web/Tax Relief and associated procedures to obtain favorable tax treatment for current and future interest payments of UniCredit S.p.A. by the Receipt Issuer or Receipt Paying Agent on its behalf branch, as receipt issuer of the 144A Receipts held through such DTC participant.

Procedure (B): Payment-Date Processing via CA Web/Tax Relief

DTC participants holding positions on behalf of tax-exempt beneficial owners for whom confirmed self-certification forms are on file must make corresponding CA Web/Tax Relief Instructions requesting the favorable (exempt) tax rate on behalf of the aggregate position of such beneficial owners prior to each interest payment date in order to receive interest free of the Italian Substitute Tax.

Steps:

Beginning on the first New York Business Day following each record date and continuing until 8:00 PM New York City time, on the New York Business Day immediately preceding each interest payment date, DTC participants must make CA Web/Tax Relief Instructions representing the portion of the securities held on behalf of properly self-certified beneficial owners whose security holdings and related trade settlements have been reported via the Acupay System, in accordance with the steps laid out below:

- All CA Web Instructions for favorable tax treatment MUST be supported with valid self-certification forms which are on file with Acupay by the time the CA Web Instruction is made.
- DTC participants must ensure that CA Web Instructions entered into DTC, beneficial owner trade
 settlement data, and self-certification forms maintained in the Acupay System are synchronized and
 updated to reflect any changes to beneficial ownership occurring up to 8:00 PM New York City time on
 the New York Business Day before each interest payment date.
- If, at 9:45 AM New York City time on the interest payment date, there are **any inconsistencies** between the participant's beneficial owner trade settlement information and self-certification forms supplied and confirmed via Acupay, such participant's CA Web Instructions, and its aggregate daily positions at DTC during the payment period, will be paid **net of the Italian Substitute Tax** on its **entire position of the 144A Receipts** held at DTC.
- DTC participants whose Acupay certifications and CA Web Instructions are out of alignment on the morning of any interest payment date may ask DTC to manually modify their CA Web Instructions to bring them into alignment by sending a Manual CA Web Instruction email to internationaltax@dtcc.com, specifying (i) the DTC account, (ii) the total position in the 144A Receipts, (iii) the requested FAVORABLE instruction, and (iv) the requested UNFAVORABLE instruction, NO LATER THAN 9:45 AM NEW YORK CITY TIME on the interest payment date, with a copy to ateam@acupay.com. The Acupay System will remain accessible to DTC participants to make any necessary updates of beneficial owner information or self-certification forms through 9:45 AM New York City time on the interest payment date.

NOTE: Participants using these CA Web / Tax Relief procedures via Acupay and Monte Titoli to obtain tax relief for themselves or their clients must agree that:

The participant will immediately return to the Italian withholding agent (Monte Titoli) any funds erroneously received as a result of an improper CA Web Instruction or an improper request for tax exemption, or through a fraudulent submission of one or more trade settlement reports or self-certification forms submitted by the participant via the Acupay System in support of such requests or instructions. In addition, the participant agrees to pay any interest, fines, FX losses, additions to tax, or penalties thereon.

As a condition of requesting tax exemption through these procedures, the participant agrees that Monte Titoli (or the Receipt Issuer or Receipt Paying Agent on its behalf) may instruct DTC to affect a chargeback arising from the participant's receipt of funds which results from an improper CA Web Instruction or an improper request for tax exemption, or from a fraudulent submission of one or more self-certification forms or trade settlement reports by the participant via the Acupay System. DTC is authorized by the participant to affect such chargeback and the participant agrees to such debit of its account to satisfy such chargeback.
