FREQUENTLY ASKED QUESTIONS (FAQs)

<p>Do I need to provide a certificate of residency (“COR”)?</p>	<p>For Relief At Source and Quick Refund processes, the ESP generated forms will be required at the time of the election. However, CORs will be required in the event of an audit for those disclosing for treaty benefits and you will be liable to maintain and provide these in that event. It is expected that CORs must be translated into Russian and apostilled, legalized and/or notarized and that they must be issued as of the calendar year.</p>
<p>Is it required to use ESP to disclose?</p>	<p>If you are not able to utilize the ESP system, please contact GlobeTax to obtain copies of the ESP forms to submit manually.</p>
<p>Is there a difference between the Relief At Source and Quick Refund?</p>	<p>The process steps are the same for both processes. However, the Relief At Source period is shorter and involves payment of your dividend with tax relief on pay date. The Quick Refund is a longer period for submission and will involve payment of your tax relief after pay date. Both payments are electronic.</p>
<p>Is there an opportunity for a standard refund?</p>	<p>At this time there is no defined standard refund. Please contact GlobeTax for additional information.</p>
<p>Is it possible for me to disclose ownership of the DRs for 15% withholding even if the country of tax residence has a DTT?</p>	<p>Yes. You may indicate the shares by country of residence to disclose ownership residency but not obtain treaty benefits.²</p>
<p>Can residents of a DTT country with an entity type considered transparent disclose their DRs to receive the dividend at the double tax treaty rate?</p>	<p>The DRs of transparent entities should be disclosed at the ultimate beneficial holder level. Always check the specifics of the relevant tax treaty to ensure you are properly disclosing the DRs of the entity and country of tax residence with respect to the Russian Federation.</p>
<p>Will BNY Mellon/GlobeTax accept claims filed directly to them by beneficial owners?</p>	<p>BNY Mellon/GlobeTax will only accept claims filed by the DTC Participant who held the securities through DTC and only to the extent that the DTC has reported these holdings to us as valid.</p>
<p>Why is the summary disclosure required if the 15% statutory rate will apply for disclosed or undisclosed positions?</p>	<p>Russian regulations (Law 39-FZ) require disclosures on all positions regardless of benefit and accordingly to BNY Mellon is required to request the summary disclosure. Consequences of non-disclosure are unclear and participants and holders will bear all risk and responsibility in relation thereto.</p>
