The Mortgage-Backed Securities Division (“MBS”) of Fixed Income Clearing Corporation (“FICC”) is reminding clients that effective June 24th, the Electronic Pool Notification (EPN) EaSyPool (ESP) application will only be available through RTTM in the DTCC Portal.

EaSyPool (ESP) has been available in production through RTTM since May 2nd as mentioned in Important Notice [MBS1086-22](#). As of June 24th, clients will no longer be able to access ESP through the legacy application. Users of ESP are encouraged to sign into ESP in production to ensure their access. If you currently do not have access to RTTM please review the steps below to gain access

User Management requirements

- ✓ FICC RTTM Web Users Management will be through DTCC CRS (Customer Registration System)
- ✓ Super Access coordinators (SACs) will need to register in DTCC CRS system by working with DTCC client integration team.
- ✓ Super Access Coordinators (SAC’s) will need to provision ESP Users in RTTM with the access listed below based on their role.
