DTC Relief-At-Source Process Change

Please be advised that as of November 15, 2021, DTC will no longer process tax relief at source on distributions that are processed with DTC's interim accounting process. This process change applies to all securities that are processed with DTC's interim accounting process (e.g., bonds and large equity distributions). More can be read in the notification released by the DTCC at: <u>https://www.dtcc.com/-/media/Files/pdf/2021/8/12/15494-21.pdf</u>.

Synopsis:

- Pursuant to Italian Legislative Decree n. 239 dated April 1, 1996, income (including interest) derived from the Notes and the Receipts by:
 - non-Italian <u>beneficial owners resident</u>, for tax purposes, in a country that allows for a satisfactory exchange of information with Italy (the "<u>White List</u>" see Annex A);
 - central banks of all nations (see Annex A); and
 - **supranational organizations,** like the World Bank, the U.N., and other such organizations recognized by Italy (see Annex A);

will not be subject to Italian Substitute Tax **unless** the beneficial owner and/or its DTC Participant fails to comply with the relevant tax-residency certification and position-reporting procedures as described below or as laid out by their custodian bank in the case of Notes held in an account of Monte Titoli.

- Beneficial owners or their authorized representatives (including DTC Participants) must sign a ONE-TIME self-certification form contemporaneously with their first purchase of any of the securities.
- Each self-certification form will be kept on file for 10+ years in the Acupay CORE¹ Library[™], where its image can be viewed by the relevant DTC Participant and the local withholding agent, Monte Titoli, through an Acupay System secure portal. Forms must be updated to reflect changes to client information.
- If all of the procedures laid out in this notice (and the related offering memorandum) are followed properly, a signed and confirmed self-certification form will be able to support <u>ongoing exemption</u> from Italian Substitute Tax on both current and future purchases of the Receipts.
- To receive exempt treatment for its beneficial owner clients, each DTC Participant is required to:
 - Provide and continually update, via the Acupay System, a complete and accurate <u>record of the</u> <u>settlement of each transaction</u> resulting in a change to the beneficial owner's holdings in the Receipts; and
 - Ensure that a valid <u>self-certification form</u> for each such beneficial owner is <u>on file with Acupay</u>.

If either of these two conditions is not met,

- the corresponding position in the "gross-paying" CUSIP (or "X Receipt"), after a warning and cure period, will be subject to a procedure of <u>mandatory exchange</u> into an alternate "net-paying" CUSIP (or "N Receipt").
 - Interest on such exchanged position will be paid NET of the Italian Substitute Tax for the period commencing on the settlement date of the acquisition of the related N Receipts, and continuing to, but not including, the sooner of (a) the settlement date of the disposal of the related N Receipts or (b) the redemption date of the N Receipts.
 - The N Receipt position will be chilled in DTC and unable to be transferred via DTC unless such position is transferred upon compliance with the applicable transfer and exchange procedures, including, without limitation, payment of the Italian Substitute Tax on any

¹ Certificate of Residence Eligible (CORE)

interest, including any original-issue discount accrued, but not yet paid, until the settlement date of a prospective transfer, as more fully described in the offering circular.

- The holder of the non-exempt position will be required to pay Italian Substitute Tax for the period when such position was held in the X Receipt. A tax payment request will be submitted through the relevant DTC Participant.
- The Acupay Italian Tax Compliance and Relief Procedures contained in Annex B to the offering memorandum dated June 8, 2017 and the Italian "White List" Countries and lists of Supranational Entities and Central Banks are available at <u>www.acupay.com/italy</u>.

NOTE: Holders and intermediaries holding 144A Notes (ISIN: IT0005249757) or Reg S Notes (ISIN: XS1596778008) in an account at Monte Titoli must contact their custodian bank and follow the procedures set out by their custodian bank in order to obtain relief from Italian substitute tax.

Procedure (A): Continuing Settlement Date "Position Updates"

- 1) To receive exempt treatment, the relevant DTC Participant (or a downstream correspondent maintaining a holding with a DTC Participant) must follow the steps below:
 - A. On or prior to 9:45 AM New York City time on the <u>first New York Business Day after each settlement date</u> of each and every transaction that results in either a positive or a negative change in beneficial holdings at the Participant in the CUSIP (either for a customer account or the firm's own position), each DTC Participant must transmit a report of each settled transaction through the Acupay System. Settlement reports must be submitted for all transaction types, including buys, sells, free-deliveries and free-receives.
 - B. The Acupay System will indicate in real-time whether or not a self-certification form is already on-file in the Acupay CORE Library[™] for each beneficial owner whose position is being increased. DTC Participants are able to view self-certification forms currently on file for their clients through their Acupay System account.
 - C. If, after submission of new transaction settlement data, the Acupay System indicates that one or more related beneficial owners do not already have a valid self-certification form on file, the system will support the electronic generation of a self-certification form and KYC confirmation document for the relevant beneficial owners.
 - i. Self-certification forms and KYC confirmation documents must be prepared online through the facilities of Acupay (<u>www.acupaysystem.com</u> for DTC Participants), and must contain an official Acupay barcode.
 - ii. Once prepared via the Acupay System, self-certification forms and related KYC confirmations should be printed, reviewed, and (if accurate and correct) signed by the DTC Participant (or its downstream correspondent custodian) acting on behalf of each beneficial owner.²

² It is required that every self-certification be confirmed by a custodial intermediary using "Know Your Customer" principles.

iii. The Acupay System automatically generates relevant certification text for each type of beneficial investor, including partnerships and other tax-transparent entities.³ Instructions and help-keys are available on the Acupay System. Assistance via email or by telephone is also available, free-of-charge, from the Acupay teams in New York and London at the contact details provided at the end of this notice.

NOTE: Self-certification forms will generally remain valid indefinitely for all of the Italian Receipts serviced by Acupay in which the beneficial owner acquires a beneficial ownership interest and holds through a Participant where a self-certification form has already been received. However, prompt updates must be made should the investor's information change.

- D. <u>Transmit via fax or PDF / email via the Acupay System</u> (to the email address or fax numbers indicated in the Acupay System) the completed and signed <u>self-certification form (and KYC confirmation</u> <u>document) for receipt no later than 8:00 PM New York City time on the settlement date of a beneficial</u> <u>owner's first purchase of the Receipts</u>.
- E. **Send via post or courier** to Acupay each original, signed self-certification form and KYC confirmation document that was previously faxed or emailed. The original paper, signed documents MUST be received by Acupay no later than 5:00 PM London time on the 10th calendar day of the month following the month when the related "first purchase" of Receipts occurred (or if such day is not a London business day, the first London business day immediately preceding such day) at the following address:

Acupay System LLC Certifications Attn: A-Team Unit 3, 1st Floor, Cosmopolitan House 10A Christina Street London EC2A 4PA United Kingdom

NOTE: A DTC Participant that obtains exemption from Italian Substitute Tax and fails to provide to Acupay the original self-certification form and/or KYC confirmation document by the above-indicated deadline may be prohibited from using the CA Web / Tax Relief and related procedures to obtain favorable tax treatment for current and future interest payments on all of the Receipts held through such DTC Participant. In an event such as this, the DTC Participant would receive the interest payments on the entire position held on behalf of all beneficial owner clients net of the Italian Substitute Tax, and relief would need to be obtained directly from the Italian tax authorities, in accordance with Italian law.

2) If the beneficial owner or its DTC Participant fails to comply with the above procedures, the related position will be subject to a <u>MANDATORY EXCHANGE</u> into the alternate N Receipt, which will be paid net of Italian Substitute Tax for the period commencing on the settlement date of the acquisition of the related N Receipts, and continuing to the sooner of (a) the settlement date of the disposal of the related N Receipts or (b) the redemption date of the N Receipts, and chilled from transfer via DTC. This status will

³ There will be no need to supply information about the partners of many forms of collective investment partnerships, so long as the partnerships are established in "White List" countries and are not maintained for the purpose of principally targeting Italian resident investors.

remain until such position is transferred in compliance with the applicable transfer and exchange procedures laid out in the offering memorandum for the securities, including, without limitation, payment of the Italian Substitute Tax on any interest accrued, but not yet paid, until the settlement date of a prospective transfer.

- A. A DTC Participant holding a Receipt position for which a <u>MANDATORY EXCHANGE</u> is required would receive a **Mandatory Exchange Warning Notice** and (if the problem is not cured) a **Mandatory Exchange Notice** from Citibank, N.A., acting through its New York branch (as Receipt Issuer), instructing such Participant to undertake:
 - i) a DWAC withdrawal operation prior to 11:30 AM New York City time for the indicated X Receipt position, and
 - ii) a corresponding DWAC deposit operation for the alternate N Receipt.
- B. The Mandatory Exchange Notice may (if appropriate) include a Tax Liability Amount Payment Request, specifying the Tax Liability Amount accrued (if any) by the non-eligible Beneficial Owner of such X Receipt from the date of acquisition until the Exchange Deadline. Such amount (if any) must be paid prior to 9:00 AM New York City time on the 10th day of the calendar month immediately following the date of the related payment request.

In the event that a Tax Liability Amount is not transmitted in full by 9:00 AM New York City time on the 10th day of the calendar month immediately following the date of the related payment request, the relevant DTC Participant acknowledges and agrees that, following a claim for the recovery of such amount made by Monte Titoli, or, at the option of Monte Titoli, by the Receipt Issuer following written instructions received from Monte Titoli to DTC, such DTC Participant's DTC account shall be debited in accordance with the published rules and procedures of DTC's CA Web/Tax Relief (as defined in the Tax Certification Procedures).

- C. In the event that an electronic report of the completion of the DWAC described in paragraph 2.A.i. has not been received by Citibank through the facilities of DTC by the Exchange Deadline, Citibank shall promptly, thereafter, send a notice to the relevant DTC Participant indicating that such DTC Participant will receive interest payments on the entire position in the X Receipts held by such DTC Participant, net of the applicable Italian Substitute Tax, and relief would, thereafter, need to be obtained directly from the Italian tax authorities, following the direct refund procedure established by Italian law.
- D. A DTC Participant that was the subject of a **Mandatory Exchange Notice**, and has failed to complete the required DWACs, may be **prohibited** from using CA Web/Tax Relief and associated procedures to obtain favorable tax treatment for current and future interest payments of UniCredit S.p.A. by Citibank, N.A., acting through its New York branch, as depositary/issuer of the 144A Receipts held through such DTC Participant.

Procedure (B): Payment-Date Processing via CA Web/Tax Relief

DTC Participants holding positions on behalf of tax-exempt beneficial owners for whom confirmed selfcertification forms are on file must make corresponding CA Web/Tax Relief Instructions requesting the favorable (exempt) tax rate on behalf of the aggregate position of such beneficial owners prior to each interest payment date in order to receive interest free of the Italian Substitute Tax.

Steps:

Beginning at 9:00 AM New York City time on the interest payment date, and continuing until 8:00 PM New York City time on the interest payment date, DTC Participants must make CA Web/Tax Relief Instructions representing the portion of the securities held on behalf of properly self-certified beneficial owners whose security holdings and related trade settlements have been reported via the Acupay System, in accordance with the steps laid out below:

- All CA Web Instructions for favorable tax treatment MUST be supported with valid self-certification forms which are on file with Acupay by the time the CA Web Instruction is made.
- DTC Participants must ensure that CA Web Instructions entered into DTC, beneficial owner trade settlement data, and self-certification forms maintained in the Acupay System are synchronized and updated to reflect any changes to beneficial ownership occurring up to 8:00 PM New York City time on the New York Business Day before each interest payment date.
- If, at 9:45 AM New York City time on the New York Business Day after the interest payment date, there are
 any inconsistencies between the Participant's beneficial owner trade settlement information and selfcertification forms supplied and confirmed via Acupay, such Participant's CA Web Instructions, and its
 aggregate daily positions at DTC during the payment period, the Participant will be paid net of the Italian
 Substitute Tax on its entire position of the 144A Receipts held at DTC.
- If, at 9:45 AM New York City time on the New York Business Day after the interest payment date, a
 Participant's Acupay certifications do not match their favorable CA Web Instructions, their Instructions will
 be adjusted to the unfavorable rate. Please note that an adjustment for ANY Participant after the CA Web
 Instruction deadline will delay the payment of tax relief funds for ALL Participants by 1 Business Day.

NOTE: Participants using these CA Web / Tax Relief procedures via Acupay and Monte Titoli to obtain tax relief for themselves or their clients must agree that:

The Participant will immediately return to the Italian withholding agent (Monte Titoli) any funds erroneously received as a result of an improper CA Web Instruction or an improper request for tax exemption, or through a fraudulent submission of one or more trade settlement reports or self-certification forms submitted by the Participant via the Acupay System in support of such requests or instructions. In addition, the Participant agrees to pay any interest, fines, FX losses, additions to tax, or penalties thereon.

As a condition of requesting tax exemption through these procedures, the Participant agrees that Monte Titoli (or Citibank, as Receipt Issuer) may instruct DTC to affect a chargeback arising from the Participant's receipt of funds which results from an improper CA Web Instruction or an improper request for tax exemption, or from a fraudulent submission of one or more self-certification forms or trade settlement reports by the Participant via the Acupay System. DTC is authorized by the Participant to affect such chargeback and the Participant agrees to such debit of its account to satisfy such chargeback.
