<b>Category:</b>	Service Update
<b>Subject:</b>	Capped Contingency Liquidity Facility Test– April 2023

Capped Contingency Liquidity Facility (“CCLF<sup>®</sup>”) is an integral part of the Fixed Income Clearing Corporation’s (“FICC”) role as central counterparty under the Government Securities Division (“GSD”) and the Mortgage-Backed Securities Division (“MBSD”). On an annual basis, FICC conducts a mandatory CCLF test with all GSD Netting Members and MBSD Clearing Members in order to satisfy the requirements of a covered clearing agency with respect to its management of liquidity risk. The main objectives of the test are:

1. Increase Members’ awareness of the potential capital commitment should a CCLF Event be declared;
2. Assess each Member’s understanding of a CCLF Event from an operational perspective; and
3. Test Members operations capacity to process Redistribution Repos.

The GSD CCLF and MBSD CCLF tests will take place on the same day. There will be two parts to the test as described in the [Annual CCLF Test Reference Guide](#) found on both the GSD and MBSD User Documentation pages on dtcc.com.

### **Test Dates**

Part 1 of the test will take place on **Monday, April 24, 2023**.

Part 2 of the test will be conducted during the **week of April 24, 2023**. Each firm will be contacted by FICC of their Part 2 test date.

### **Contact Information**

GSD Netting Members and MBSD Clearing Members are **required** to provide their Relationship Manager with at least two (2) contacts that FICC may contact to discuss any issue that relates to the CCLF test. All Members must confirm these contacts as well as ensure they have the proper access to RTTM and Report Center prior to the test. Please contact your Relationship Manager if there are any changes to those contacts for the upcoming April 2023 test or if you have any questions regarding this Important Notice.
