RELIEF AT SOURCE FAQs

Does the IRS 6166 form have to be for the tax year in which the dividend is paid out and must it be original?	It is highly recommended that the tax year on the 6166 supplied matches the year of the ordinary dividend payment and that the 6166 supplied is an original. If you choose to submit outdated or copies of 6166s, it is recommended that you request a more current one from the IRS at the time the election is made and submit it to the French custodian upon receipt to avoid a potential chargeback.
What happens if I do not send in the documentation and/or submit a file whose share position totals more than my CA Web elections?	This will result in a chargeback for the number of shares not supported by the documentation. The favorable or exempt shares elected will be adjusted to your unfavorable position and result in a debit to your DTC participant account. Submitting share amounts exceeding your CA Web elections may result in a chargeback of the total election.
Why are Forms 8802 being requested for U.S. Regulated Investment Companies (RICs), Real Estate Investment Trusts (REITs) and Real Estate Mortgage Investment Conduits (REMICS)?	The IRS 6166 form does not differentiate between corporations and Regulated Investment Companies (RICs), Real Estate Investment Trusts (REITs) and Real Estate Mortgage Investment Conduits (REMICS). In order for the French Tax Authorities to validate entities, these forms are being requested.
Are Canadian mutual funds eligible for reclaim through the relief at source process?	No. Only through the standard long form process.
Are partnerships/LLCs, or U.S. trust accounts eligible for reclaim the relief at source process?	No. Only through the standard long form process.
Why would the French Tax Authorities request an IRS 6166 form for individuals or corporations if it is not required?	If they have any doubts regarding the status of the beneficial owner, they are entitled to validate their suspicion by requesting the 6166.

How long does it take to receive payment with the relief at source process?	On DR pay date.
What happens if I do not send in the documentation and/or submit a file whose share position totals more than my CA Web elections?	This will result in a chargeback for the number of shares not supported by the documentation. The favorable or exempt shares elected will be adjusted to your unfavorable position and result in a debit to your DTC participant account. Submitting share amounts exceeding your CA Web elections will result in a chargeback of the total election.
What if I fail to provide a COR or a Certified form 5000 to support elections for the reduced statutory rate (12.8%)?	All shares elected at the statutory rate 12.8% will be moved to the unfavorable 25% tax bracket without the required supporting documentation.
LONG FORM RECLAIM FAQs	
How long does it take to receive payment on standard long form process?	Generally, 6 months to 1 year.
Does form 5000 has to be sign, stamped and dated?	Yes, Box III on the form 5000 has to be signed, stamped, dated and contain the place.
When do I have to stamp the Box VI of the form 5000?	Box VI has to be stamped when the 6166/COR is not provided with the claim submission.
