<b>Subject:</b>	Invitation to Join Corporate Actions Agent Portal Working Group Sessions

DTC is in the process of designing a Corporate Actions Agent Portal (CAA) which will act as a bridge for issuers, agents and any third party acting on behalf of the issuer, to easily and efficiently engage with DTC when communicating the announcement of corporate action events. Via the portal, data submitted will feed directly into DTC processing systems, thereby mitigating risks associated with manual intervention.

To ensure design of the CAA Portal effectively addresses the corporate action needs of the industry, we encourage you to join our working group sessions where you'll have the opportunity to see wireframe demos and provide feedback on the functionality under development.

Virtual sessions will be held biweekly on Thursdays, from 10:00 – 11:00 a.m. ET on the following dates:

- July 25, 2024
- August 8, 2024
- August 22, 2024
- September 5, 2024
- September 19, 2024
- October 10, 2024
