

Important Notice
The Depository Trust Company

B #:	23194-25
Date:	November 10, 2025
To:	DTC FAST Transfer Agents
Category:	AnnounceDirect Entitlement Provisioning
From:	DTC Asset Services
Attention:	DTC FAST Transfer Agents (Corporate Actions Teams)
Subject:	AnnounceDirect Testing Region Provisioned for DTC FAST Transfer Agents

To our valued DTC FAST Transfer Agent Super Access Coordinators,

As mentioned in [Important Notice 23083-25](#), your firms' Super Access Coordinator(s) were granted entitlement provisioning capabilities for AnnounceDirect PSE **under your FAST TA Number on 11/6/2025**. If your firm also acts in the capacity of Redemption Agent, please provision these entitlements to the operators at your firms who are responsible for notifying DTC of Mandatory Redemption events. This includes Full Calls, Partial Calls, Final Paydowns, Final Default Distributions, Pre-Refundings and Defeasances, and Maturities. If your firm acts only in the capacity of Transfer Agent and does not send DTC Mandatory Redemption notices, no further action is required.

Please note that this initial provisioning only applies to your DTC Redemption Agent number matching your DTC FAST Transfer Agent Number exactly. Redemption Agents that do not act as FAST Transfer Agents – or – Fast Transfer Agents that act as Redemption Agent under different DTC Redemption Agent Numbers can expect additional guidance in the coming months.

ANNIRECT Portal Read Only Agent PSE: This role provides a user with read only access to all the screens in the PSE environment.

ANNIRECT Portal Supervisor Agent PSE: This role enables Agents to verify and approve or deny an announcement creation, modification and cancellation in the PSE environment.

ANNIRECT Portal Update Agent PSE: This role provides a user with update capabilities to the CAA portal in the PSE environment. Users will be able to view agent queues, perform search functionality, create new announcements, modify existing announcements, and cancel existing announcements. The user will also be able to view uploaded documentation from other members of the same agent id.

ANNIRECT Portal Issuer PSE: This role enables a user the ability to create a new event and add PDF. Cannot view queues or perform a search in the PSE environment. **While available, this entitlement is for Issuers that do not also act in the capacity of Agent.**

While we encourage agent roles to be provisioned as appropriate today, the AnnounceDirect testing region is currently in development and not yet fully functional.
