Category:	Underwriting Service Updates
From:	Underwriting Product Management Team
Attention:	IPAs – MMI Program Submitters & Super Access Coordinators (SACs)
Subject:	Money Market Instrument (MMI) Program Transformation – Go Live

Background

As previously announced via Important Notices [B#19147-23](#), [B#20323-24](#), and [B#20850-24](#), **the process to create and maintenance MMI programs will be migrated to the Underwriting Central application (UWC)**, replacing the existing legacy processes executed using the Web Underwriting MMI application (WUN).

Clients can access UWC through the [DTCC Portal](#).

Timeline Update

MMI functionality will be available to clients via the UWC application beginning Monday, April 7th.

UWC User Access via Super Access Coordinators (SACs)

Super Access Coordinators (SACs) were provisioned with entitlement privileges in January 2025 and should entitle IPAs/ application users ASAP. **SACs are responsible for provisioning access to users within their organizations.**

Quick Guide
