VOLVO AB has announced a cash dividend and JPMorgan Chase Bank, N.A acts as one of the Depositories for the Depositary Receipt (“DR”) program.

A participant can use DTC’s Corporate Actions Web (“CA Web”) instructions tab to certify that all or a portion of his/her position is subject to the applicable withholding tax rate. Use of these instruction methods will permit entitlement amounts to be paid through DTC. By making submissions of such certification, the submitter represents and warrants that it has the required authority to make; that the party for which the submission is made is eligible therefore, and that the submitter will indemnify, as applicable, Globe Tax Services, Inc., the relevant Depository custodian, and any other person acting, directly or indirectly, in reliance thereon, including for any loss, liability or expense which may arise in connection with any such representation and submission, including for any inaccuracy therein.

On **DR** pay date, all record date holders will have the opportunity to receive their full treaty benefits as outlined in the “Eligibility Matrix.” Holders not certified at the favorable or exempt withholding tax rates through CA Web will receive the dividend net of the full Swedish statutory withholding tax rate of 30.0% with the possibility to reclaim through the standard long form process.

PLEASE NOTE:

- **UK tax resident individuals and IRAs are no longer eligible for At-Source/ Quick Refund tax treaty benefits. Eligibility available only for Long Form.**
- **Scanned copies of long form claim documentation are acceptable. Original documents are no longer required upon submission. The Swedish Tax Authority reserves the right to request original documents as needed and therefore should be kept on file. However, exception applies for Switzerland domicile beneficial owners. Please see the ESP Eligibility Matrix for further details.**
- **Quick Refund Only: If a beneficiary was previously paid at a favorable rate and is submitting a second claim to further reduce their tax liability in Sweden, then they should be disclosed on GlobeTax’s ESP system but not elected for on DTC’s CA Web. The payment will be made at the same time as the quick refund adjustment at DTC but will be made by GlobeTax directly to the DTC Participant either through ACH (if you are enrolled in the ACH service) or by check.**
