

Important Notice
The Depository Trust Company

B #:	B21766-25
Date:	March 27, 2025
To:	DTC Participants and Correspondents
Category:	Underwriting Central Service Updates
From:	Underwriting Product Management Team
Attention:	Underwriting Central (UWC) Retail CD Submitters
Subject:	Underwriting Central – Functionality Updates

As previously announced via Important Notice #: [B20964-24](#), the Underwriting Central (UWC) user interface is being modernized to align with new corporate branding standards and to introduce DTC eligibility functionality for other Asset Classes.

This change will be effective to clients on Monday, April 7th, 2025.

Updates:

- *New Landing Page / Universal Dashboard:* Users can view eCD issues, act on outstanding items that require user actions to close and view the closing status eCDs.
- *Header: the UWC Header was updated to accommodate the addition of MMIs to UWC*
 - **Important Note: the pathway to create eCDs has changed!**
 - Home: Navigate to the Home tab and select Issuance Dashboard to view the eCD dashboard
 - Issuance: Navigate to the Issuance tab and select Primary, Upload or Secondary Offering to create or modify eCDs.
- *Alerts:* Will be available via the header as well as the bell alert icon on the top right corner.
- *Search:* Accessible via the header

Clients can access UWC through the [DTCC Portal](#).

If you or anyone else at your firm has user access questions, please contact UWCPM@dtcc.com

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery.
