Non-Confidential

ATHENE HOLDING LTD. (the “Company”) has announced the following with respect to future dividend and interest payments.

On December 31, 2023, the Company completed the redomestication of its jurisdiction of organization from Bermuda to the State of Delaware (the “Redomestication”).

PLEASE NOTE:

ON DECEMBER 31, 2023, ATHENE HOLDING LTD. COMPLETED THE REDOMESTICATION OF ITS JURISDICTION OF ORGANIZATION FROM BERMUDA TO THE STATE OF DELAWARE. FOLLOWING THE REDOMESTICATION, DISTRIBUTIONS BY THE COMPANY WITH RESPECT TO ITS PREFERENCE SHARES CONSTITUTE U.S.-SOURCE DIVIDEND INCOME TO THE EXTENT PAID OUT OF THE COMPANY'S CURRENT OR ACCUMULATED EARNINGS AND PROFITS AND INTEREST ON ITS SENIOR NOTES CONSTITUTE U.S.-SOURCE INCOME FOR U.S. FEDERAL INCOME TAX PURPOSES.

CERTAIN SERIES OF PREFERENCE SHARES AND SERIES OF NOTES PROVIDE FOR THE PAYMENTS OF ADDITIONAL AMOUNTS IN THE EVENT WITHHOLDING TAXES ARE IMPOSED, AND HOLDERS OF SUCH PREFERENCE SHARES OR NOTES MAY BE REQUIRED TO PROVIDE INFORMATION OR TAKE OTHER ACTIONS TO CLAIM SUCH ADDITIONAL AMOUNTS. SEE BELOW ON HOW TO PROVIDE THE INFORMATION THAT MAY REDUCE SUCH WITHHOLDING AND FOR HOW TO OBTAIN A GROSS-UP, IF YOU ARE ENTITLED.

Certain Tax Considerations Related to the Redomestication

Following the Redomestication, the Company is treated as a domestic corporation for purposes of the U.S. Internal Revenue Code of 1986, as amended. Therefore, the Company is subject to U.S. federal income tax and is not considered a passive foreign investment company or controlled foreign corporation.

Following the Redomestication, non-U.S. holders of outstanding series of preference shares (together with the depositary shares representing interests in preference shares, the “Preference Shares”) or the outstanding series of the Company’s senior notes (the “Notes”) generally are subject to a 30% withholding tax (or a lower treaty rate) on the amount of any dividends or interest payable to them, unless an exception applies. Under an exception for “portfolio interest,” non-U.S. holders of Notes that do not own (directly, indirectly or constructively) 10% or more of the voting power of the stock of the Company and that are not banks are generally expected to be exempt from such withholding tax on any such interest, provided appropriate statements of their non-U.S. status are provided to the U.S. person required to withhold such tax. Such dividends and interest generally are also subject to a 30% withholding tax under the provisions commonly known as the Foreign Account Tax Compliance Act or “FATCA,” unless the shareholder or noteholder (and any intermediaries through which the shareholder or noteholder holds its Preference Shares or Notes) establishes an exemption from such withholding.

Only certain series of Preference Shares and series of Notes identified below provide for the payments of additional amounts in the event any of the foregoing withholding taxes are imposed, and holders of such Preference Shares or Notes may be required to provide information or take other actions to claim such additional amounts. **See further below for information on how to provide the statements referenced above that may reduce such withholding and for how to obtain a gross-up payment, if you are entitled.**

Additional U.S. federal income tax considerations may also apply that may be relevant to the individual holder. For a full discussion of the tax implications of the Redomestication, please see the Company’s disclosure on [Form 8-K, filed with the SEC on December 12, 2023](#) and on [Form 10-K, filed with the SEC on February 27, 2024](#).

Participants must use GlobeTax’s ESP portal to submit beneficial owner information and the rates at which they intend to withhold (“intended withholding rates”) in order to benefit from the gross-up provisions triggered as a result of Athene’s redomestication to the U.S. Please note that if you do not intend to withhold for your clients then you do not need to disclose them through ESP. Anyone subject to U.S. backup withholding, and whose gross-up claim is submitted through ESP, will be rejected back to the Participant as they are not entitled to the gross-up.

All qualifying holders will receive the dividend or interest payment, and gross-up payment, to be paid via DTC and GlobeTax, respectively. By submitting, Participants agree to the **Warning and Disclaimer below.**

Warning and Disclaimer:

I / We certify that to the best of my knowledge the individual beneficial owners are eligible for the gross-up provisions triggered as a result of Athene’s redomestication to the U.S. as stated herein and I declare that I have performed all the necessary due diligence to satisfy myself as to the accuracy of the information submitted to me by these beneficial owners.

In consideration of the assistance of GlobeTax and the Company in processing such claims, the Participant expressly agrees that neither GlobeTax nor the Company nor any of their agents or affiliates shall have any liability for, and shall indemnify, defend and hold the Company and its respective agents and affiliates harmless from and against, any and all loss, liability, damage, judgment, settlement, fine, penalty, demand, claim, cost or expense (including without limitation fees and expenses of defending itself or enforcing this agreement) arising out of or in connection herewith. The Participant further agrees that their obligations hereunder shall be free from all defenses.

FREQUENTLY ASKED QUESTIONS (FAQs)

GENERAL QUESTIONS

Who do I send the required documentation to?	Everything is to be submitted to GlobeTax via email. Please send all documentation to AtheneESP@globetax.com.
Will holders wishing to benefit from favorable tax treatment need to furnish supporting documentation up front?	No, brokers should store the relevant W-8 Form on file in case of an audit.
Are elections via DTCC required?	No. All submissions should be made via GlobeTax's submission portal, ESP.
I am a Non Qualified Intermediary ("NQI")... what should I do?	Non-QIs clients may be eligible if they are otherwise entitled to the gross-up provision by providing W-8 series documents of their underlying clients to an upstream QI. If the DTC Participant is an NQI their clients will not be eligible for the gross-up.
Does the IRS W-8BEN-E or W-8-BEN have to be an original?	No. Scanned Copies are Acceptable.
Can I file claims for partnerships at the partnership level?	No, your submission on ESP needs to be at the underlying partner level in order to qualify for the gross-up. The eligibility of a partner in a partnership will be determined based on the intended withholding tax of that partner in their own right.
