

Important Notice

Fixed Income Clearing Corporation - GOV

GOV #:	GOV1976-25
Date:	June 4, 2025
To:	Participants
Category:	FICC GSD Indirect Onboarding
From:	FICC Client Account Services
Attention:	Participants and Super Access Coordinators
Subject:	MyDTCC Portal Indirect Onboarding Requests

MyDTCC PORTAL GSD INDIRECT ONBOARDING REQUESTS

Effective July 1, 2025, Indirect Participant Onboarding requests currently submitted to FICCIntegration@dtcc.com by email **should be submitted** via the MyDTCC Portal. By utilizing the MyDTCC Portal, clients will be able to open new cases and manage existing requests in one central location. A training video on how to utilize these new features can be visited at <https://dtcclearning.com/products-and-services/fixed-income-clearing/3039-treasury-clearing.html>

Action Required: If you do not have access to MyDTCC portal, please reach out to your Super Access Coordinator (SAC) to request a web ID be created. If you do not know who your SAC is, you may contact your Relationship Manager. You will need a MyDTCC Web ID to submit requests for Sponsored Member Additions, Sponsored GC Additions and Executing Firm Customer Additions via Support at MyDTCC (<https://portal.dtcc.com/>) Additionally, your SAC will need to provision you with the following entitlements under the Membership Application product if you do not already have this access: FICC GSD Indirect Participant Onboarding (MAP).

What you can do in the MyDTCC Portal:

- Submit a new request
- Access and manage submitted requests, view details and updates, add comments, upload files and attachments
- View a listing of your Cases or Company Cases; filter them by Status, Date, Registration Company, or Client Identifier
- Collaborate with colleagues by adding comments or attaching files to existing cases
- Export up to a year's worth of cases to Excel

If you have any questions, please contact your Relationship Manager.

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery. To learn more and to set up your own DTCC RSS alerts, visit http://www.dtcc.com/subscription_form.php.
