

Important Notice
National Securities Clearing Corporation

A #:	9771
P&S:	9344
Date:	5/15/2026
To:	ALL CTS & UTC PORTAL USERS
Category:	CLEARING SERVICES - EQUITIES
From:	NSCC PRODUCT MANAGEMENT, DTCC EQUITIES CLEARING
Attention:	DIRECTOR OF OPERATIONS
Subject:	CTS & UTC DTCC PORTAL - LEGACY APPLICATIONS

This notice serves as a follow-up to the prior important notice ([A9666](#)), regarding the modernization and consolidation of the **Consolidated Trade Summary (CTS)** and **Universal Trade Capture (UTC)** web applications.

As previously communicated, DTCC has successfully deployed the merged CTS/UTC web application, providing a unified access point and streamlined user experience. Clients were notified to transition to the merged application following the production cutover on November 20th 2025.

Decommission of Legacy Applications

Please be advised that the legacy CTS and UTC web applications will be decommissioned effective **May 29th, 2026**.

After this date, users will no longer be able to access the legacy environments and must use the merged CTS/UTC application for all activity.

Access to the Merged Application

For detailed instructions and connectivity information, users can refer to the following resources available in the [UTC Release](#) section of the DTCC Learning Center.

- **CTS and UTC Connectivity Guide** – Provides connectivity details and URL updates
- **UTC Web User Help** – Offers step-by-step guidance on accessing and navigating the merged CTS/UTC application, including roles and entitlements

Clients should ensure all users have transitioned to the merged application prior to **May 29th, 2026**.
