## Synopsis of Available Tax Relief:

- Under Spanish law, dividends paid by Telefonica to a non-Spanish resident holder of Telefonica shares, including American Depositary Shares (“ADSs”), are subject to the Non-Resident Income Tax (“NRIT”) in Spain (approved by Spanish Royal Decree Legislative 5/2004 of March 5) and withheld at source, currently at a 19% tax rate. To meet this requirement, the company will apply a 19% withholding tax on the gross amount of dividends, subject to the exemptions, reductions, and refunds that are described in this notice.
- Most shareholders are eligible for a reduced rate of tax, based on the tax treaty that is in force between the shareholder’s country of residence and Spain. However, these rates must be requested, and certain documentation must be provided, in order to qualify. See **Annex A** for a list of Spanish Treaty Rates.
- **Citibank, N.A. and Accuratus Tax and CA Services LLC** are providing issuer-sponsored tax reductions in the form of an Immediate Refund, applied on the ADS Payment Date. If the Immediate Refund process is not followed, the ADS dividend will be paid, less the 19% Spanish withholding tax, and any further tax relief must be processed via Standard Refund.

## Types of Tax Residency Documentation:

### A. Certificates of Tax Residence

- To receive a reduction in Spanish tax, an original Spain-specific Certificate of Residence (e.g.: U.S. IRS Form 6166) must be either on-file with Acupay, or be provided to Acupay.
- The Certificate of Residence (CoR) must mention the “[Country of tax Residence] - Spain Income Tax Convention” (e.g.: United States - Spain Income Tax Convention), and the validity period must cover the ordinary payment date (June 18, 2026), in order to participate in the Immediate Refund<sup>1</sup>. As a general rule, the validity of the CoR is extended one calendar year from the issuance date. Please be aware of the following cases of exception:
  1. In the case where a CoR states the tax year, it will be valid from January 1<sup>st</sup> to December 31<sup>st</sup> of that specific tax year, regardless of the issuance date.
  2. In the case where a CoR states a specific period of time, it will only be valid for that specific period, regardless of the issuance date.
- The Certificate of Residence must be in either English or Spanish.

### B. Petición de Reducción and Petición de Devolución:

- If the beneficial owner is a tax resident of **Austria, Netherlands, Sweden, or Switzerland** (countries for which there is a “Petición”), an original Petición de Reducción / Devolución is required, instead of the Certificate of Residence. It must be completed by (or on behalf of) the beneficial owner, and must be stamped and signed by the beneficial owner's local tax authorities. Sample forms are available on the website of the Spanish government, which you can access via this direct link: <https://www.acupay.com/resources-help-links/resources/spain-resources/>.

. . . . .

<sup>1</sup> **NOTE:** Certificates of Residence, dated after this date, but which specify Tax Year 2025, may be used for the Standard Refund.

## Immediate Refund Investor Types and Documentation:

- **Acupay Submission:** Beginning at 9:00 AM EDT, on June 18, 2026, and until 8:00 PM EDT, on June 23, 2026 (the Acupay Submission Deadline), DTC Participants must enter tax relief requests for the beneficial owners that are seeking an Immediate Refund, the aggregate of which must match the CA Web Instruction for each favorable tax rate.   - Follow the on-screen instructions.
  - **To avoid the possibility of rejection, the beneficial owner name should match the name that appears on the Certificate of Residence.**
  - At the end of the process, a breakdown of the required documentation will be provided. The Acupay System will generate an Acupay Cover Letter, which must be printed, signed, and transmitted to Acupay via fax/scan and/or original form, along with all of the accompanying documentation.
  - All of the electronic documentation, including Certificates of Residence, must be received by Acupay on June 24, 2026, by 9:00 AM EDT, in order to be processed. Original documentation must be received by July 24, 2026.

  - Log in to Acupay: [www.acupaysystem.com/](http://www.acupaysystem.com/).
  - To register a downstream correspondent for access, click 'Manage My Account', click 'Omnibus Accounts', and, under the 'Add Omnibus Account' section, click the 'here' link.
  - If the downstream correspondent would like to register for access, you'll need to provide your registration's 'Registration Code'. It can be found within the 'My Account Details' tab, under 'Manage My Account'.
  - Once it has registered, the downstream correspondent will be able to enter beneficial owner information and submit documentation for its own clients.
  - Verify the downstream correspondent's omnibus position(s), by confirming that the position(s) reported by it are, in total, less than or equal to the aggregate share position held for that downstream correspondent as of the Record Date. These confirmations should be continually updated until 8:00 PM EDT, on June 23, 2026, the Acupay Deadline date.
  - Make the corresponding CA Web Instruction(s) for the correct tax rate(s). The position(s) should match what was submitted by the downstream correspondent.

**IMPORTANT NOTE:** Special Instructions for Investors with original IRS Forms 6166 already on-file with Acupay

For some beneficial owners, a valid IRS Form 6166 may already be on-file with Acupay, and may not need to be provided during the Acupay submission process. In such cases, the Acupay System will indicate that a new IRS Form 6166 is not required for that beneficial owner.
