

# DECEMBER AGENT REPORT CARD FOR NOVEMBER 2025 DATA

# Agent Report Card

This report highlights the performance of the top agents responsible for the processing of CMO/ABS securities in two specific areas of concern:

- 1) The unavailability of timely rate information.
- 2) Inaccurate rate information that requires amendment and therefore post payable date adjustments to DTCC's Clients.

The impact of each agent on last month's performance is reflected in bar charts showing "late/amended" information.

In addition, the top three agents with the best record in each category have been highlighted in **Green**.
