VALMET OYJ has announced a cash dividend and JPMorgan Chase Bank, N.A. acts as one of the Depositories for the Depositary Receipt ("DR") program.

A participant can use DTC's Corporate Actions Web ("CA Web") instructions tab to certify that all or a portion of his/her position is subject to the applicable withholding tax rate. Use of these instruction methods will permit entitlement amounts to be paid through DTC. By making submissions of such certification, the submitter represents and warrants that it has the required authority to make; that the party for which the submission is made is eligible therefore, and that the submitter will indemnify, as applicable, Globe Tax Services, Inc., the relevant Depositary custodian, and any other person acting, directly or indirectly, in reliance thereon, including for any loss, liability or expense which may arise in connection with any such representation and submission, including for any inaccuracy therein.

Please be aware that new Finnish legislation concerning preliminary tax withholding on dividends came into effect on January 1, 2020 requiring that a tax rate of 50% will apply to all undisclosed Finnish residents. You are hereby notified of your obligation, in accordance with published guidance from the Finnish Tax Authority, to notify dividend recipients down the chain of their obligations to report any Finnish investors that may be holding Depositary Receipts of this security. On DR pay date, all uncertified holders will receive this dividend net of the full Finnish statutory withholding rate of 35% with the possibility to reclaim as outlined in the eligibility matrix.

The Relief At Source process is facilitated only to avoid the punitive rate which is designated for undisclosed Finnish holders. All non-Finnish holders are eligible to receive the statutory rate. There is no reduced treaty rate to be received by any investor for Relief At Source.
