

Bob Stewart

Executive Director and Client Lead, Chief Client Office

Bob Stewart serves as Executive Director and Client Lead, Chief Client Office at DTCC. In this role, Bob is accountable for front-to-back client relationships for U.S. custody clients and Boston-aligned accounts.

As Client Lead, Bob is responsible for strengthening client engagement, driving enterprise alignment, and ensuring DTCC brings the full breadth of its capabilities to deliver on client priorities.

Bob brings more than 30 years of financial services experience and a deep blend of custody, client service, and product expertise. Since joining DTCC, he has spent more than five years in Institutional Trade Processing (ITP) and Equities Product Management, where he led critical industry initiatives focused on automation and integration across the institutional post-trade lifecycle.

Prior to joining DTCC, Bob spent more than 25 years at Brown Brothers Harriman, most recently as Senior Vice President and Head of Custody Product. In that role, he was responsible for the strategy, investment priorities, and profitability of BBH's global custody business. Earlier in his career at BBH, he held leadership roles in Global Custody Client Service, including Client Service Manager and Assistant Department Head. Bob began his career at The Boston Company.

Bob has been actively involved in industry working groups, including the SIFMA Asset Management Group and the ICI Security Operations Advisory Committee (SOAC), among others.

He holds a bachelor's degree from the University of Massachusetts Amherst and an MBA from Bentley College.

DTCC is the premier post-trade market infrastructure for the global financial services industry. From 20 locations around the world, DTCC, through its subsidiaries, automates, centralizes, and standardizes the processing of financial transactions, mitigating risk, increasing transparency, enhancing performance and driving efficiency for thousands of broker/dealers, custodian banks and asset managers.
