

B #:	0051
Date:	January 11, 2013
To:	All Participants
Category:	Settlement
From:	Product and Relationship Management
Attention:	Settlement Manager/Managing Director/Cashier
Subject:	DTC Test Region Available for Settlement Products

As noted in prior communications from DTCC, participant testing was suspended due to events related to Superstorm Sandy. At the time of suspension, a number of participants were in the process of, or planning for, testing settlement products in DTC's "U-Test Region". DTC is pleased to announce that this region will again be available to participants for settlement product testing on January 14, 2013.

Testing Schedule for Settlement Products:

- RAD Automation – Ongoing
- Settlement Web Transaction Input/Secondary Approval – 02/11/2013
- Collateral Pledge Redesign – 04/15/2013

Access Information:

For access/connectivity to the U-Test Region, please contact the DTCC's Client Account Representative Team at 212-855-4270, option 2.

Test Support Contact:

Participants with access to the U-Test Region, and requiring test support should contact the DTCC UAT Team at uat@dtcc.com.

For assistance with general questions regarding this Important Notice, please contact Chris Nolan at 212-855-2352 cnolan@dtcc.com

DTCC offers enhanced access to all important notices via a Web-based subscription service. The notification system leverages RSS Newsfeeds, providing significant benefits including real-time updates and customizable delivery.
