

Keisha Bell

Managing Director, Head of Diverse Talent Management and Advancement, DTCC

Keisha Bell is Managing Director and Head of Diverse Talent Management and Advancement at DTCC, where she is responsible for recruiting and retaining the best diverse talent and developing DTCC's next generation of leaders through focused sponsorships and talent advancement strategies. She believes in changing mindsets, forging progressive practices, and views each employee as an agent of change. Keisha partners with business leaders to identify diverse talent across all levels of the organization focusing on their growth and mobility, and with Human Resources to ensure diversity and inclusion are fully integrated into working practices. Additionally, Keisha leads Corporate Philanthropy and Social Responsibility for DTCC.

Previously, Keisha was Managing Director of DTCC's Risk Management Reporting, Governance, Analysis and Program Management group. She successfully led the firm's Board and Management Risk Committees, regulatory, audit and compliance reporting, management control testing, and program management of the Financial and Technology Risk initiatives. Prior to that, she served as Executive Director of Wealth Management Services. She was also a member of DTCC's Global Diversity and Inclusion Council and a founding leader of the LGBTQA professional network.

Keisha serves as a member of the board of directors of The NYC Anti-Violence Project and is a member of the World Economic Forum's Partnering for Racial Justice in Business initiative. Keisha has been named to the World Federation of Exchanges' 2021 Women Leaders List and to the 2021 OUTstanding LGBT+ Role Model List of 100 business leaders for her impact on LGBT+ inclusion inside and outside the workplace, her business achievements, and the seniority and influence of her role. She also represented DTCC at The Alliance, an inaugural gathering of the influential LGBTQ leaders held in Lisbon, Portugal.

Keisha has more than 20 years of experience in the financial services industry, spanning broker/dealer operations, technology transformations, program management and business analysis. She earned her B.S. in Organizational Behavior from New York University.

About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2020, DTCC's subsidiaries processed securities transactions valued at more than U.S. \$2.3 quadrillion. Its depository provides custody and asset servicing for securities issues from 170 countries and territories valued at U.S. \$73.5 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 15 billion messages annually.
