

Timothy Cuddihy

Managing Director and Group Chief Risk Officer

Timothy Cuddihy is Managing Director and Group Chief Risk Officer, with global responsibility for all aspects of DTCC's Risk Management, including Credit, Market & Liquidity Risk, Model Risk, Operational Risk Management, Third Party Risk Management, Systemic Risk, Information Security and Technology Risk Management, Business Continuity Management and Global Security Management. He also has responsibility for DTCC's Enterprise Data Management program.

He is the Chair of the firm's Management Risk Committee.

Timothy has more than 30 years of experience in risk management in financial services. Over the course of his career, he has had significant interaction with market participants and the industry under various market conditions and across multiple risk families. He has substantial experience with developing sound risk controls and effective escalation for emerging exposures. He chaired the industry effort to assess and design a best practices framework for cyber risk management for the Treasury markets in partnership with members and advisors of the

Analysis and Resiliency Center. He also has advised on assessing peak exposures and providing alternatives to mitigate risks.

Timothy earned a Bachelor of Arts degree in mathematics and statistics from Rutgers University and holds a Master of Business Administration degree in finance from Rutgers University.

About DTCC

With over 45 years of experience, DTCC is the premier post-trade market infrastructure for the global financial services industry. From 21 locations around the world, DTCC, through its subsidiaries, automates, centralizes and standardizes the processing of financial transactions, mitigating risk, increasing transparency and driving efficiency for thousands of broker/dealers, custodian banks and asset managers. Industry owned and governed, the firm simplifies the complexities of clearing, settlement, asset servicing, data management, data reporting and information services across asset classes, bringing increased security and soundness to financial markets. In 2021, DTCC's subsidiaries processed securities transactions valued at nearly U.S. \$2.4 quadrillion. Its depository provides custody and asset servicing for securities issues from 177 countries and territories valued at U.S. \$87.1 trillion. DTCC's Global Trade Repository service, through locally registered, licensed, or approved trade repositories, processes 16 billion messages annually.
