Date:	January 9, 2013
To:	All Cost Basis Reporting Service (CBRS) users
From:	Product Management
Subject:	Rescheduled production cut date; re-opening of testing

DTCC is planning to make changes to the CBRS input record layouts, and the WebDirect data input and output screens. For more information about these changes, please see Important Notices CBRS005.12 and CBRS009.12.

The production implementation for these changes, originally scheduled for Friday, November 30, 2012, has been rescheduled to Friday, February 22, 2013.

The participant testing environment PSE or the Participant Services Environment is open for testing the new code, starting on Monday, January 14, 2013. As of this date, DTCC is no longer supporting testing for the existing record layouts.
